Third round of SAA negotiations ends in Sarajevo ; continuation in October when EC's report on BiH progress is expected

Hayat By Elma Kazagic - The third round of technical talks on Stabilisation and Association Agreement (SAA) between BiH and European Union ended in Sarajevo on Friday. According to Hayat reporter, participants did not know - or did not want to say - what would be the impact of a slowdown in police reform process to the conclusion of SAA talks. On Friday, members of negotiating teams discussed industrial, agricultural and fish products, their export and import. The liberalisation of market is still the basic European recommendation: *"European Union suggest the liberalisation of trade in all products, except several agricultural and fish products intended for export to EU"*, stated Head of Department for West Balkans within the EC General Directorate for Enlargement **Dirk Lange**. *"We must consider the delicate products of BiH and EU countries, because we do not want to endanger the economy of BiH or EU"*, added Lange. Chief BiH negotiator **Igor Davidovic** said that he was satisfied with the third round of SAA talks, because *"a certain progress has been made in reaching mutual understanding"* regarding the part of SAA that refers to free trade. According to Hayat reporter, negotiators generally concluded that the talks were developing quite well, and that the progress was visible. The new round of talks has been announced for October 2006. **BHT1**- *"I am very pleased because we have reached a progress which can be described as solid"*, said Davidovic. Reporter says that after market liberalization, customs are going to be decreased gradually, but this will not be applied to certain goods, still unknown which goods particularly. **RHB**- Lange once again reiterated that key reforms have to be implemented, such as police reform and the reform of Public Broadcasting System, as well as the full cooperation with The Hague Tribunal. Davidovic added that negotiators also discussed land transport, intellectual, industrial and commercial rights. **FTV**- By October when SAA talks are to be continued, BiH should prepare a new list of goods, which it wants to protect the most. SAA terms were also discussed. EC will in October publish report on progress BiH reached in terms of reform processes, which also includes estimation on whether BiH could sign SAA. *"It was said that a progress has been made, but that in terms of certain areas a lot more had to be done"*, said Director to BiH European Integrations Directorate, **Osman Topcagic**. **PINK**, **RTRS**- also covered. **Dnevni Avaz** pg 2 'EU wants to preserve customs to import of vine and sugar from BiH', mentioned on cover by T.Lazovic- Lange confirmed that EU is demanding for preserving of customs on import of vine, sugar and some beef and fish products from BiH. **Oslobodjenje** pgs 4-5 'Europe is opening market for products from BiH' by Az.Kalamujic, **Dnevni List** pg 4 'New list of concessions is being drafted' by D.P.Mandic, **Vecernji List** pg 3 'No annulling of customs for European vine, meat and sugar' by Dejan Jazvic, **Nezavisne Novine** cover splash, pg 3 'BiH annuls customs to EU products' by M.Cubro- also reports.

<p>RS politicians object establishment of two new ministries in CoM; President Cavic and PM Dodik say- no new ministries before constitutional changes are finished</p>	<p>RTRS By <u>Biljana Knezevic</u> - Decision of Council of Ministers to pass amendments to the Law on CoM, which foresee establishment of two new ministries [Ministry of Agriculture, Food and Rural Development, and Ministry of Science, Technology and Environment], which was passed without votes of Serb Ministers in CoM, caused fierce reactions among RS politicians. RS President Dragan Cavic and RS Prime Minister Milorad Dodik called upon CoM Chair Adnan Terzic to withdraw this law and Serb representatives in BiH parliament not to vote for it. Cavic stressed that this issue wouldn't be a problem if constitutional amendments were adopted. <i>"From my personal point of view there will be no story on changing the CoM structure until the story on constitutional changes is completed"</i>, says Cavic. Dodik feels that the amendments violate BiH Constitution and also feels that there will be no new Ministries until constitutional changes are adopted. PINK- Cavic stressed that CoM Chair Adnan Terzic's and BiH Minister of Civil Affairs Safet Halilovic's parties are to blame for non adoption of constitutional amendment. <i>"They cannot expect that we will support their solutions without the constitutional package"</i>, says Cavic. Reporter concludes that the Ministries in question are BiH Ministry of Food, Agriculture and Rural Development and BiH Ministry of Science and Technology. FTV- Dodik accused Terzic for submitting the proposal out of private reasons. <i>"They can propose but the Parliament has to pass...there is no room for story on changes in BiH CoM until story on constitutional changes on basis of agreement and amendments agreed in Marc, 2006, does not be over"</i>, says Cavic. FTV ridicules the fact that BiH Justice Minister, Slobodan Kovac, whose Ministry made the proposal, opposes it as well. RHB, Oslobodjenje pg 2 'Terzic has no support of RS' by <u>V.Du-</u> carries Dodik statement. Dnevni List pg 4 'Establishment of ministries unrealistic' <u>not signed-</u> carries Dodik. Dnevni List pg 8 'No installing of new ministries' <u>not signed</u>, Nezavisne Novine pg 3 'Constitution cannot be changes trough individual acts' by <u>Z.Kusmuk-</u> carries Dodik statement.</p>
<p>RS politicians object establishment of two new ministries in CoM; SRS sees this as another attack on RS</p>	<p>RTRS By <u>Biljana Knezevic</u> - Decision of CoM to establish two new ministries [Ministry of Agriculture, Food and Rural Development, and Ministry of Science, Technology and Environment], which was passed without votes of Serb Ministers in CoM, caused fierce reactions among RS politicians. PDP member Dragan Mikerevic feels that CoM Chair Adnan Terzic wanted to make a formal decision on the Ministries without going in to the core of it. Reporter comments that remaining RS parties are unanimous in judging the CoM's decision. Milan Lazic from SRS says that this decision is yet another attack on RS.</p>
<p>CoM Chair Terzic: beside ethnic equality I was driven by practical and economic reasons</p>	<p>Oslobodjenje pg 2 'Ministries because of ethnic balance' by <u>Az.K.-</u> Council of Ministers Chair Adnan Terzic stressed on Friday that decision on establishment of two new ministries is base don constitutional regulation on ethnic equality. These regulations, Terzic explained, foresee that number of CoM members, with equal ethnic representation has to be divisible with three. He stressed that beside this, he was driven by practical and economic reasons, underlining the demand of BiH farmers and of the EC. Terzic said that reactions of SNSD's Milorad Dodik, PDP's Mladen Ivanic and SDS' Dragan Cavic to this decision, are confirming how much interested they are for better future of this country. Terzic concludes that RS authorities do not want BiH to sign Stabilization and Association Agreement, since they are obstructing the police reform and now the establishment of new ministries as well.</p>

<p>RS President Cavic's press conference; incidents in Srebrenica region intensified after releasing of Oric</p>	<p>RTRS By <u>Momcilo Ostojic</u> - At the press conference in Banja Luka, RS President Dragan Cavic welcomed EU Council's decision, which supports transformation of OHR into Office of EU Special Representative. Cavic says that this decision is encouraging and adds that certain circles in Sarajevo would want international community to remain in BiH. He also connects this reaction of Sarajevo politicians with ethnic incidents that occurred recently especially in Konjevic Polje. He added that such incidents intensified after release of Naser Oric and stressed that they are deeply politically motivated. Cavic appeals to Serbs in Podrinje not to respond to provocations. <i>"I am also appealing to Bosniak returnees not to become a subject of political maneuvering"</i>, says Cavic. Cavic also stated that forming of Commission for suffering of Sarajevo citizens is a result of political chaos in BiH House of Representatives that represents a hoax for families of killed persons from Eastern Sarajevo and therefore it will not reach any solutions. He claims that Council of Ministers made a Commission that will do nothing. Hayat- Cavic believes that the fact BiH CoM did not appoint Cvjetko Savic a member of the Commission to Establish the Truth about the Sufferings of Serbs in Sarajevo might be some kind of CoM Chair Adnan Terzic's revenge to the Office of High Representative, which does not support him as previous HR Paddy Ashdown used to do. Hayat presenter quoted Cavic as saying that the establishment of Commission is a political pamphlet. Oslobodjenje pg 6 'Departure of OHR- returning of democracy to BiH' by <u>O.V.</u>- Cavic said that transfer of authorities to domestic institutions should represent returning of democracy to this country <i>"which since the war lives in ambient of interventionism and violence, with international legitimacy"</i>.</p>
<p>RS President Cavic: incidents aggravated after shameful sentence to Naser Oric</p>	<p>Oslobodjenje cover splash, pg 3 'Cavic accused SDA for encouraging of ethnic extremism' by <u>O.V.</u>- Talking about clashes in Konjevic Polje, RS president Dragan Cavic said that these events last for couple of years and <i>"have extremely increased after shameful sentence to Naser Oric and shameful support to war criminal and murderer from member of BH Presidency Sulejman Tihic and shameful support of RS National Assembly Deputy Speaker Sefket Hafizovic,"</i> Dnevni Avaz pg 8 'Cavic: SDA is provoking ethnic conflicts' by <u>N.Diklic</u>- DA carries the Cavic's press conference and his statements regarding clashes in Konjevic Polje and Commission for investigating of Sufferings of Serbs, Croats, Bosniaks, Jews and Others in Sarajevo. Dnevni List pg 2 'Cavic: SDA stands behind incidents in Srebrenica' <u>not signed</u>, Glas Srpske pg 2 'Incidents for concern' by <u>G.Dakic</u>, Nezavisne Novine pg 6 'SDA stands behind incidents' by <u>V.Popovic</u>- also report on the press conference.</p>
<p>SDA leader Tihic: Cavic's statement suggests that politics in behind it</p>	<p>Nezavisne Novine pg 6 'Cavic's statement directs to political background' by <u>V.P.</u>- SDA leader Sulejman Tihic denied all accusations directed to him and his party by the side of RS President Dragan Cavic, who accused SDA for encouraging ethnic clashes in Srebrenica region. Stressing that Cavic's statement is suggesting the political background, Tihic expressed surprise with such statement, adding that he hopes that RS police would investigate ethnic clashes. Tihic said that <i>"SDA as serious party worked on constitutional changes and showed that radicalization in BiH doesn't suit it...Radicalization suits those political forces in BiH, which are against returning process and which want to abuse returnees in political purposes,"</i> said Tihic.</p>
<p>RS Vice- President Osmancevic: Cavic is in crisis and tries to preserve old voters</p>	<p>Dnevni Avaz pg 8 'Cavic: SDA is provoking ethnic conflicts' by <u>N.Diklic</u>- Inset 'Osmancevic: Dirty pre-election campaign'- Commenting the accusation that RS president directed toward SDA, accusing this party or encouraging of ethnic clashes, Vice President of RS and of SDA Adil Osmancevic rejected all Cavic's accusations. <i>"It is obvious that Cavic started to build dirty, pre-election, nationalistic story, known to his party, over out backs. I believe hat he is in crisis in which he will try to preserve old voters, by attacking SDA and our people,"</i> said Osmancevic.</p>

<p>SDA: we cannot be liable for incidents in RS, since authority in Cavic's hands</p>	<p>Dnevni Avaz pg 8 'We can not be liable for incidents in the RS' <u>not signed</u>- In a press release, SDA commented on accusation of RS president Dragan Cavic, who accused SDA for encouraging of ethnic clashes in Konjevic Polje, which reads: "SDA cannot be liable for incidents in the RS, because the authority in this entity is in hands of Dragan Cavic. As RS President he is obligated to provide protection of basic human rights for all citizens...we invite him to do his job better in accordance with the Constitution and law, instead accusing returnees and SDA." Oslobodjenje cover splash, pg 3 'Cavic accused SDA for encouraging of ethnic extremism' <u>by O.V.</u>- Inset 'Cavic is obligated to protect citizens'- carried SDA statement.</p>
<p>DA: forgetting all insisting on establishment of Sarajevo Commission, on Friday Cavic admitted that it is a political pamphlet</p>	<p>Dnevni Avaz pg 3 'Cavic's amnesia' op-ed by Edina Sarac- Commenting on how RS President and SDS leader Dragan Cavic insisted on establishment of the Commission for investigating of Sufferings of Serbs, Croats, Bosniaks, Jews and Others in Sarajevo and <u>Sarac</u> brings this in correlation with his Friday's press conference, where he "admitted that Commission is a political pamphlet, full failure and manifestation of political game, which most of all would harm families of missing Serbs". Noting that this could mean that Cavic is losing control over his party, since it is not in his manner to "forget prior statements", <u>Sarac</u> concludes how this Commission was only another tool for Cavic to use in pre-election campaign. "Hopefully, families and other citizens in the RS would finally realize the true intentions of their President. Own interest before the interest of people is the slogan of RS President."</p>
<p>SDS to ask for scheduling of referendum on police reform; SNSD, PDP and DEPOS object this, seeing this as election marketing</p>	<p>BHT1 <u>By Zoran Sarenac</u> - The RS President and SDS leader, Dragan Cavic, announced that SDS is going to launch the initiative for scheduling of referendum on police reform in the RS National Assembly; SNSD, PDP and DEPOS oppose such idea. "Right on referendum, in line with the Constitution and law, within police reform agreement and within BiH constitutional organization, is a right which cannot be denied", says Cavic. As former police reform negotiating team member and DEPOS representative, Svetlana Cenic claims, it is dissimulating to advocate police reform referendum. She claims that Police Reform Directorate was established without having former RS Prime Minister, Pero Bukejlovic consulted and that it came out as the result of negotiations made by Dragan Cavic and Adnan Terzic. "We are afraid that no one is going to be honest to say what he promised and what signed, what is going on with the police and what kind of election marketing we are faced with...it seems as if everyone is talking about referendum everywhere, expect the place where it should be discussed - RS NA", says Cenic. "SNSD has taken a clear stance: the agreement should be applied, due to the fact that we are all very aware of its content since our President proposed it. Police reform can be implemented in line with the agreement and without referendum, citizens, OHR and High Representative's pressures", say SNSD's Rajko Vasic. PDP finds police reform talks, as an attempt on BiH's constitutional reorganization, due to what BiH would not sign Stabilization and Association Agreement on time. "It is not good to advocate referendum and transfer the problem to public; politicians should take over the responsibility and I believe that we should advocate a kind of German police organization", says PDP's Dragan Mikerevic. OHR warned that RS authorities could lead towards delay in signing of SAA. RTRS- carried Cavic's announcement of referendum. Oslobodjenje pg 6 'We will soon present the stance on referendum' <u>by Fena</u>-</p>
<p>PDP's Mikerevic: goal of police reform is recomposing of BiH</p>	<p>Dnevni Avaz pg 2 'Police reform goal is to re-compose BiH' <u>by Srna</u>- Member of PDP Presidency, Dragan Mikerevic told the press conference on Friday that police reform is a political issue, which cannot be solved by experts. He added that prolonging of the deadline for work of Police Reform Directorate is "expected decision of those who are working on recomposing of BiH". He stressed that the manner in which police reform should have been carried out is the reason of his resignation from the position of RS Prime Minister. "Those who have established the PRD are responsible, because it is not in accordance with the reached agreement," said Mikerevic. <p>OSCE urges authorities to remove all disputable symbols from schools</p>	<p>RHB, Hayat, FTV- OSCE Mission to BiH notes with concern the lack of progress to date in the implementation of the Criteria for School Names and Symbols. The Criteria for School Names and Symbols represent an important step in ensuring that all children have access to schools that provide an inclusive and welcoming environment. This document, which Ministries of Education endorsed in the course of 2004, mandates the removal of inappropriate school names and symbols with immediate effect, OSCE said. OSCE reminds that the UN Committee on the Elimination of Racial Discrimination has recommended <i>"that competent authorities within Bosnia and Herzegovina intensify their efforts to remove mono-ethnic or mono-religious symbols and flags from all schools"</i>. OSCE urges the responsible authorities to ensure that all school names and all school symbols that fail to meet the provisions of these Criteria are changed or removed before the start of the 2006 - 2007 school year. Oslobodjenje pg 9 'Inappropriate names and symbols have to be removed' <u>not signed</u>, Dnevni Avaz pg 8 'To remove all disputable names and symbols in schools by September' <u>by Srna</u>, Glas Srpske pg 4 'Flags away from schools' <u>by S.Sa</u>,</p>

<p>Mostar City Council interrupts session before voting on Hercegovacka TV</p>	<p>RHB- The session of the Mostar City Council was interrupted on Friday at the request of the Croat Caucus, right before the voting on the Decision on transfer of rights over 'Hercegovacka TV' Mostar. Chair of the Croat Caucus Mladen Margeta asked for the postponement of the session, because - as he said - 'they did not have enough time to consult their partners in Mostar City Council regarding this Decision'. According to the Chair of Mostar City Council Murat Coric, councilors would probably harmonize their stands regarding this issue until the end of August, when the next session of City Council is scheduled to take place. According to RHB presenter, proposal of the Decision foresees that the City of Mostar transfers 60 percent of the ownership over 'Hercegovacka TV' to municipalities Citluk, Prozor/Rama, Ljubuski, Siroki Brijeg, Grude and Posusje, while the City would retain remaining 40 percent of ownership. <p>EX US Diplomat Montgomery: Mid East crisis cannot be solved without Iran and Syria</p>	<p>Dnevni Avaz cover splash, pg 9 'War in Lebanon is only the introduction into clash with Iran and Syria' by <u>William Montgomery</u>- In weekly analysis of political situation in the world, former US Diplomat <u>Montgomery</u> comments on events in Lebanon and Middle East. He underlines that Israel and many of politicians in Washington and in the Europe, deem that Hezbollah and Hamas wouldn't have courage to provoke Israel without "blessing" is Iran and Syria. <i>"This means that current clash in Lebanon could be only the introduction in much more dangerous and strategically meaningful clash with Iran,"</i> states <u>Montgomery</u>. Further on, he comments how USA <i>"traditionally supportive toward Israel"</i> has no strength to undertake strong role in solving of Mid East conflicts, which would only deepen the crisis. <i>"There is no way for Hezbollah to disarm or to cease fire unless Iran and Syria strongly demands that. Any effort for solving of the crisis without them is doomed,"</i> concludes <u>Montgomery</u> , criticizing USA for ending its relations with these countries.</p>

<p>13th anniversary of Croat sufferings in Doljani; HDZ delegation blames IC for weak returning of Croats</p>	<p>BHT1By Martina Kristo-Antelj - 13th anniversary since 6 civilians and 33 HVO [Croat Defence Council] members were killed from a village Doljani, near Jablanica, has been marked on Friday. HDZ delegation, led by its Chair Dragan Covic, as well as BiH Presidency member, Ivo Miro Jovic, also attended the marking. There were 1,500 Croats lived in this place before the war, while only 260 Croats, mostly elderly persons, returned after the war. They are faced with numerous problems. HDZ blames International Community for such situation. "No International Community representative says any longer that 45 % of Croats, who have left BiH, should return", says Jovic. RHB- In a short statement for RHB, Covic expressed regrets because perpetrators of those crimes against Croats have not been discovered. "Regardless, we are persistent in asking for justice, but first of all we are here to encourage all those who remember their loved ones with pride", stated Covic. <p>FBiH Comm. for Missing Persons' Masovic: I advise Srebrenica Associations to address the BiH CC and demand publishing of list</p>	<p>Oslobodjenje supplement Pogled pg 4 'For years RS is trying to equalize the number of Bosniak and Serb victims' by <u>Sanita Rozajac</u>- In page long interview, Chair of FBiH Commission for Missing Persons, member of Collegium of the Institute for Missing Persons and member of the Commission for investigating of Sufferings of Serbs, Croats, Bosniaks, Jews and Others in Sarajevo, Amor Masovic stressed that RS Office for Missing Persons is trying to equalize the number of victims on both sides. Masovic underlined that in several occasions the RS Office has exhumed bodies of Bosniak victims, after which had to return them to FBiH Commission. Masovic commented briefly on numerous objections to him being the members of Sarajevo Commission and he wonders is it better for the victims never to be found or for him to find them. He reiterates that doesn't understand why publishing of Srebrenica Commission's list, is rejected. <i>"The only reason is allegedly that publishing of names would be a warning to criminals that they are criminals,"</i> comments Masovic. He assumes that reason for non-publishing of the list is range of the list, which contains over 20 thousand names. <i>"I personally advise Srebrenica Association to address the BiH Constitutional Court with demand for the RS Government to be ordered to publish the list. Regardless whether these people are criminally liable. That is up to the judicial institutions to determine,"</i> said Masovic.</p>
