RT RS News Summary:

Barry, in interview with Glas srpski, says possibility exists that Party for BiH-NHI-SDP-SNSD Coalition will be formed at BiH state level (00:46)

In an interview with the RS daily Glas srpski, OSCE Head of Mission Robert Barry stated that he rejected Haris Silajdzic's request to abolish the BiH entities because it is unconstitutional. Barry also rejected Ante Jelavic's request for the establishment of a third, Croat entity in BiH, Glas srpski reported. Barry also said BiH membership in Europe would solely and exclusively depend on what the newly established legislative and executive authorities would be like. "It is possible that a coalition composed of the Party for BiH, NHI, SDP and SNSD will be formed at the BiH state level. Such a coalition would be positive" Barry said. Concerning Republika Srpska, he said that a government of experts led by Mladen Ivanic could possibly abide by an agenda to join Europe.
