

Decision establishing and registering the Foundation of the Srebrenica-Potocari Memorial and Cemetery

In the exercise of the powers vested in me by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on Civilian Implementation of the Peace Settlement; and considering in particular Article II.1.(d) of the last said Agreement, according to the terms of which the High Representative shall “Facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation”;

Recalling paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative’s intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid “by making binding decisions, as he judges necessary” on certain issues including (under sub-paragraph (sub-paragraph (c) thereof) “measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities”;

Recalling the High Representative’s Decision of 25 October 2000 designating in perpetuity the piece of land situated at Potocari in the municipality of Srebrenica as a cemetery and

as a solemn place for the erection of a memorial to those who met their deaths in the July 1995 massacre at Srebrenica;

Recalling and confirming all the matters set out in the preamble of the said Decision and bearing in mind that the High Representative's said Decision was intended to be the first in a series of Decisions regulating the arrangements necessary to establish the cemetery and memorial;

Noting that, in the said Decision of 25 October 2000 it was stated that the High Representative would establish under the applicable local law such foundation or association as might be appropriate in order to administer and provide initial funding for the cemetery and memorial;

Ever Conscious of the importance of establishing a cemetery and memorial as a means of bringing reconciliation to the peoples of Bosnia and Herzegovina, which reconciliation will in turn promote the return of displaced persons and refugees and permanent peace; peace;

Conscious further that such reconciliation and permanent peace require and compel the making of a Decision on the establishment and registration of a Foundation to initially fund and administer the cemetery and memorial as aforesaid.

Having considered, noted and borne in mind all the matters aforesaid, I hereby issue the following:
