No. 52/07

*In the exercise* of the powers vested in the High Representative by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering in particular Article II.1. (d) of the last said Agreement, according to the terms of which the High Representative shall “[F]acilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation”;

*Recalling* paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative’s intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid “by making binding decisions, as he judges necessary” on certain issues including, under sub-paragraph (c) thereof, “measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities”;

*Recalling further* paragraph 12.1 of the Declaration of the Peace Implementation Council made at its meeting held in Madrid on 15 and 16 December 1998, which made clear that the said Council considered that the establishment of the rule of law, in which all citizens had confidence, was a prerequisite for a lasting peace, and for a self-sustaining economy capable of attracting and retaining international and domestic investors;

*Noting* that the Steering Board of the Peace Implementation Council, in its communiqué of 20 March 2001 emphasized that “functioning and effective State institutions, judicial reform, respect for the Rule of Law and good governance, remain fundamental to the implementation of the Peace Agreement”;

*Noting further* that the Steering Board of the Peace Implementation Council, in its Communiqué issued on 31 July 2002 called upon the authorities to assist in the timely establishment of the High Judicial and Prosecutorial Council and in the restructuring of the court and prosecutorial systems;

*Having in mind* that the Peace Implementation Council Steering Board noted on 7 January 2004 that a professional and independent judiciary is a key European standard and a key requirement for BiH’s integration into Europe and Euro-Atlantic

structures and reaffirmed their full support for the ongoing work of the High Judicial and Prosecutorial Council;

*Having also in mind* the statement of the Steering Board of the Peace Implementation Council of 5 March 2004, whereby it fully supported “the HJPC process as the best chance this country has of establishing a modern independent and multi-ethnic judiciary and meeting European standards in this area;”

*Further noting* that the Steering Board of the Peace Implementation Council, in the communiqué issued after the meeting in Sarajevo on 23 June 2006, “urged the BiH authorities to address in a disciplined and effective manner key rule of law reforms, including continued support for a strong and independent judiciary and the work of the High Judicial and Prosecutorial Council”;

*Bearing in mind* that the Steering Board of the Peace Implementation Council on 20 October 2006 noted with disappointment attempts by politicians to undermine the independence and efficiency of judges and prosecutors, but expressed confidence in the institutions of Bosnia and Herzegovina to address this problem and in particular supported the High Judicial and Prosecutorial Council in its efforts to ensure that judges and prosecutors are free from political interference in their work;

*Having been seized* by the letter of the President of the High Judicial and Prosecutorial Council of 16 May 2007 and by the letter of 14 June 2007 signed by the President and the members of the Council, expressing the unanimous Council’s decision reached at the 14 June 2007 session about the necessity to urgently introduce internal checks and balances between the exercise of the professional function of the Council as an independent and autonomous body and the technical and administrative tasks of the Secretariat of the Council, with the view of ensuring the maintenance of an independent, impartial and professional judiciary;

*Being seized* of the urgency to amend such provisions;

*Having* considered and borne in mind all these matters,

The High Representative hereby issues the following
