

16 days left for voters living outside BiH to register

The High Representative and EU Special Representative would like to remind all citizens of Bosnia and Herzegovina living abroad that the 19th July 2010 is the last valid day for active voter registration of citizens who live outside of Bosnia and Herzegovina. As a reminder, for those living outside Bosnia and Herzegovina, the voter registration process is active, which means that citizens need to actively register every time that elections are held.

The Central Election Commission is conducting a voter information campaign on how to register. For all relevant information BiH citizens should check the The Central Election Commission's website: www.izbori.ba or +387 33 251 331 and +387 33 251 332.
