

Eight expert consultation on state property: Discussion on property issues related to former SFRY and SR BiH assets

As part of the ongoing sessions, the eighth expert consultation group meeting was held today at the British Embassy in Sarajevo. The Working Group discussed various modalities of ownership, management, and use of various assets of the former SFRY and SRBiH, as well as some other categories of state property.

The Working Group, formed by the OHR with support from the Peace Implementation Council Steering Board, aims to produce expert opinions and information to facilitate the BiH Parliamentary Assembly's work in resolving the state property issue.

An acceptable and sustainable resolution of the apportionment of property between the State and other levels of government is the first objective of the 5+2 agenda. It has been a longstanding obligation of the BiH authorities.
