

HR Schmidt meets Dario Jovanovic from “Pod Lupom” Coalition for Free and Fair elections

High Representative Christian Schmidt met with Dario Jovanovic from the Coalition for Free and Fair Elections *Pod Lupom*, regarding their support of a free and fair repeated early presidential election in Republika Srpska, in 136 polling stations. The HR thanked all the volunteers observing on election day.

“Elections are organized by citizens for citizens. Political parties have to play a positive role. Every voter should see and feel that trust in fair elections is justified and that all those trying to manipulate elections will be prosecuted,” said the High Representative.
