

Agreed measures - Geneva, 15/8/96

Agreed measures

Considering that the success of the Dayton peace process depends upon having a strong Federation in place as the cornerstone of a unified Bosnia and Herzegovina, the Federation Forum agreed on July 31, 1996 that in the short time remaining before the national elections urgent action is required to complete the establishment of Federation institutions and structures.

It is agreed, therefore, to implement immediately the necessary steps to dissolve the Croat Republic of Herceg-Bosna institutions¹ and to merge those functions into the appropriate ministries of the Federation. In addition, it is agreed that, simultaneously, the appropriate functions of Bosnia and Herzegovina will be merged with Federation institutions in accordance with the Dayton Agreement, related annexes, and the Constitutions of Bosnia and Herzegovina and the Federation of Bosnia and Herzegovina. It is further agreed that:

1. Effective August 31, 1996, those functions and institutions of the government of Bosnia and Herzegovina that are not within the authority provided by the Constitution of Bosnia and Herzegovina will be transferred to the Federation or dissolved, as appropriate.
2. Effective August 31, 1996, in accordance with the Dayton General Framework Agreement and the Federation Agreement of November 10, 1995, the Administrative Arrangements in the territory of the Federation under HVO control will cease to exist.
