

AHR Crishock visits polling stations in F BiH and RS, during BiH general elections

Acting High Representative Louis Crishock visited several polling stations in the Federation of Bosnia and Herzegovina and in Republika Srpska during today's general elections. He spoke with members of the polling stations committees about the conduct of voting and the use of the new election technologies at polling stations throughout the country.

Crishock thanked polling station committees for their work and encouraged citizens to make their voices heard: *"Your vote is your chance to shape the next four years. Cast it freely and with confidence that your vote will be counted as cast."*
