Regarding yesterday's session of the House of Representatives of the BiH Parliament, during which the Law on privatization was adopted, Branko Dokic, the counselor in the House of Representatives of the BiH Parliament gave a statement:

"In this way, the counselors who voted for the law have violated their authorizations because the RS NA and the RS Government, led by Milorad Dodik, have clearly said to the OHR as well that the privatization is, according to the DA, in the competence of the Entities and not the state of BiH, for the state of BiH does not have any property. What belongs to the common institutions is its only property".

The SPRS held a regular press conference today. The spokesman for SPRS Igor Radojicic assessed today the statement given by the DHR Hanns Schumacher regarding the introduction of sanctions against the RS due to disrespecting of the Banja Conference on return as inappropriate. "The refugees cannot be returned by declarations, but by creating objective, economic and social conditions for the return", Igor Radojicic said.
