

OHR BiH TV News Summary, 1 July 1998

HR Westendorp made the decision on establishing the Commission for Supervision of the Privatisation process implementation, in accordance with authorities from Article 10 of DPA. In his letter, addressed to the CoM Chairmen and Vice-chairman, Federation and the RS Prime ministers, the commission is being established for the purpose of supervising the process of companies and banks privatisation, as carried out by the BiH entities. The letter also says that the commission will not take part in implementation of the privatisation process and will especially pay attention to principles of non-discrimination and equality. The commission will answer to HR Westendorp and will submit its reports on regular basis.

Croatian border authorities do not allow Bosnian citizens to cross Croatian border with old car registration plates, although they have left BiH before the HR Westendorp's decision on new registration plates. Croatian authorities suggested those BiH citizens to either obtain temporary plates or to go back. BiH FA Minister Prlic said he was not informed on this problem, while his assistants from the FA Ministry said that Croatian authorities were informed on HR Westendorp's recommendations that BiH citizens who left the country before his decision on the new registration plates must be enabled to return.
