HR deputy for the matters of return, Bearpark held a press conference at the Multinational HQ, discussing the matters of refugee return, implementation of the Sarajevo declaration, forthcoming Banja Luka conference and recent incidents occurred during refugee return in the last weeks. Bearpark said that the progress exist, but also expressed his disappointment with progress in some cases. Bearpark also stressed importance of the implementation of agreement reached at the last Federation Forum session in Mostar, and of the forthcoming Banja Luka conference. Bearpark also said that one of the main objectives of the conference is to establish unlimited rights to return within BiH and Croatia and to remove all obstacles to this process. Bearpark added that the HR would not hesitate to use his authorities against those who obstruct the return, and said that recent events in Drvar were understood just as obstruction.

An incident occurred in the village of Velika Bukovica near Travnik, in which two Croats were wounded while visiting an abandoned house. The wounded Croats were from the group of about 30 refugees who came to visit their pre-war house. UN condemned this incident. Another incident occurred in Derventa where about 1000 Serbs attempted to burn a Catholic church. Serbs blocked the church while some of them tried to burn it, at the time when Croats were preparing for a mass. UN spokesman Lendel said that Cardinal Vinko Puljic planned to hold a mass for Croat refugees who lived in Derventa before the aggression.

The Washington Post published that French military officers met with Karadic last summer, and thus disturbed the plan on his arrest. WP publishes that French Liaisons Mayor, Gourmelon was transferring information on actions against Karadzic to Karadzic himself. After Washington found out for meetings with Karadzic, the French Government refuted it, saying that Mayor was doing on his own and will be punished. US officials also refuted the possibility that Karadzic might have left the RS and said that he is hiding in several places in Pale.

1:30

Federal Ministry of Defence held a press conference, discussing the matters of sub-regional arming control, measures for building security and trust within BiH and future entry of BiH to the regional arming control. OSCE representative for DPA military aspects implementation, Jeanne was discussing objectives and fulfilled parts of DPA military aspects.

Federation Co-president Soljic held a public platform in Sarajevo residential unit Stup, with subject of Croat returns to Sarajevo. Soljic also said that return and coexistence with other nations is a strategic interest for Croats in BiH, adding that one of the most groundless accusations is that Croats will not, do not want, and cannot live with other nations. Except for Jews, Croats are a nation that live together with the most nations in the world, said Soljic and added that things seem to be turned upside-down. Those who were expelled first are the lasts to return. I think this is not right.
