Zvornik– The shameful court farce has ended. The seven people from Srebrenica have been sentenced to 67 years of imprisonment .The three indicted were sentenced for the alleged murder of four Serb civilians to 20 years of imprisonment while the other four were charged and sentenced for the illegal possession of arms. Deputy HR Michael Steiner sent a letter of protest to RS PM Gojko Klickovic. Mr. Steiner told the press that the entire trial was “a farce” and that the judge needed only 34 minutes to prove the guilt of the accused. He further stressed that the court proceedings in this case seriously violated the DPA. “The RS government keeps complaining about not receiving aid from the international community. But such behaviour only confirms that it would be wrong to invest money unless they begin to observe the DPA and the Constitution”, concluded the Deputy HR.

With reference to the 7th session of the RS Parliament held in Jahorina yesterday, Parliament Speaker Kalinic said that the session was very important because of the consensus on the economic policy for this year. The RS Parliament is ready to strongly support the process of privatisation and the open market for the flow of goods and money, not only with the FRY, but with the BiH Federation and other neighbouring countries. Therefore the RS is expecting both political and financial assistance from all the countries of Europe and the USA.

Pale – Acting SDS President Buha talked with HDZ representatives about the upcoming elections, work of the joint institutions, and return of refugees. The two parties will hold their next meeting in 15 days and discuss adjustment of the IEBL in the area of Banja Luka. Buha said that the two parties noted the recent statement by Izetbegovic, concerning his judgements of the DPA, given on behalf of the BiH Presidency without consultations made with the other two Presidency Members. Buha said that they agreed not to accept Izetbegovic's statement since none of the peoples in BiH should be allowed to be domineering in these territories. There are three constituent peoples in BiH, which is a decentralised country consisting of two state units, and it is useful to say this over and over again, Buha said.
