Summary SRT News

Banja Luka – RS President Plavsic met head of the OSCE mission in Muslim-Croat Federation and RS Frowick and talked about forthcoming local elections and arbitration decision for Brcko. After the talks, President Plavsic said that they will discuss details of the elections in order to prevent any unexpected decisions. They will use the example of the September elections. She said that they also talked about Mr. Owen's decision. The situation is good in Brcko, according to Ms. Plavsic, and there are no provocation. Mr. Frowick said that the forthcoming local elections will be very complex. He will have many contacts with the RS leadership until July. The OSCE must be very careful in Brcko and Mostar where they expect problems for the elections, Frowick said.

3:00

Banja Luka – President Palvsic met a delegation of the Serb Forum of Intellectuals and she presented them total political situation in the RS. The Intellectuals were especially interested in economic reconstruction of the RS, and the Brcko issue. they emphasised the importance of the RS constitution and legislation as the basic principles of their state.

2:00

Pale – President of the [BiH] Union presidency Krajisnik met German Ambassador to Muslim-Croat Federation and the RS Preisinger and talked about further implementation of the DPA, especially its Annex 9 [establishing and implementation of the joint institutions].

1:00

London – the RS delegation headed by president of the government Kalinic visited British Foreign Office, Parliament, opposition, and the ruling party representatives. They will also visit Northern Ireland and Belfast. In the interview given to BBC, Kalinic explained the current situation in the RS, and emphasised that RS leadership and people fully support the DPA. Commenting the arbitration decision for Brcko, Kalinic said that RS should not do anything that would endanger current peace. He said that the world and international community must be even-handed towards RS and the Federation. He also said that the international financial support is very important for the RS existence. RS established its authorities and legislative bodies that function very good, and which are based on the democracy taken as an example from the western countries.

3:00

Pale – regular Government session – the government discussed pre-drafts of the Citizenship Law, Passports Law, and Immunity Law, as well as operational tasks of the customs agreement between the RS and Federation. The representatives of government and common institutions established working groups which concluded that offered pre-draft Laws cannot be used as base for the DPA implementation. Therefore, the interior affairs board gave new proposal which is in accordance with the DPA and protects RS citizens. The government also concluded that CoM minister must lean on the respective ministries of RS as to protect RS rights, and respect the RS rules. Protection of the entity immunity was the main reason for adopting the interim Law on Passports.

3:00

Bijeljina – RS army HQ commander Colic met representatives of the RS Ministry of Defence and talked about improvement of living standards of the RS army, establishing of the infrastructure, and adopting of professional military service. Colic also talked with military adviser to HR Bildt admiral Forbes about the security situation after the arbitration decision, and reorganisation of the army. Colic said that Muslim army is conducting the secret mobilisation of their troops, and moving them towards RS borders. Colic emphasised a problem of increased presence of Mujahedins in the Muslim army which indicates at serious preparations for another war. The RS army does not have any aggressive intentions, and its only task is RS if it is attacked.

3:00

Bonn – HR Bildt visited Germany and talked with its officials on German contribution to democracy and stability of the RS and Croat-Muslim Federation.
