

Supervisory Order On The Conduct Of Privatization Of The State Capital Of Enterprises In The Brcko District Of BiH

In accordance with paragraphs 37 and 43 of the Final Arbitral Award dated March 5, 1999, providing respectively for the enhancement of the powers of the Supervisor established by the Award and the obligation of the Entities to implement “without delay” any Order issued by the Supervisor in the exercise of his powers;

In furtherance of paragraph 12 of the Annex to the Award dated August 18, 1999, providing for the right of the Brcko District to administer public property and privatize it with the approval of the Supervisor in accordance with the BiH Framework Law on Privatization;

Following the Supervisory Orders on Privatization dated December 4, 1997, and June 26, 1999, and the Consolidating Supervisory Order on Privatization of August 28, 2001, prohibiting privatization in the Brcko District unless authorized by the Supervisor;

Reiterating that as a result of the aforesaid Orders, the Entities’ privatization laws and regulations have not applied and continue not to apply in the Brcko District;

Recalling that the Entities have not reached an agreement on the use of certificates and vouchers in the privatization process in the Brcko District and that this has led to deadlock in the Brcko District Assembly over the adoption of

the Draft Law on Privatization of the Strategic Enterprises in the Brcko District of Bosnia and Herzegovina;

Considering that privatization is a critical step forward that is urgently needed for the economic development of the Brcko District and that it must be conducted in a way that is transparent and open to everyone to participate;
