

# Make Your Voice Heard

The High Representative, Valentin Inzko, issued the following statement today:

“On Sunday the citizens of Bosnia and Herzegovina will decide who they want to empower for the next four years to address the very real problems they face on a daily basis – the lack of job opportunities, corruption and poor services.

Please invest four minutes of your time for the next four years of your future. I appeal to every voter to go to their polling station on Sunday – don't let this chance to build a better future for you and your children slip through your fingers. Cast your vote on Sunday and make your voice heard!”
