

High Representative congratulates BiH national football team

High Representative Valentin Inzko extended his congratulations to the BiH national football team on last night's victory against Slovakia. "All the efforts, energy and dedication of players have been crowned by this magnificent accomplishment. This historic victory by the Dragons serves as an elixir for the entire country, and its importance extends far beyond the realm of sports! I rejoice together with all citizens of Bosnia and Herzegovina, and we are joined in celebrations by the region and by the BiH diaspora," Valentin Inzko said.

After the match yesterday, the High Representative celebrated with Sarajevo residents by taking a walk through the city center and meeting with citizens.
