

Statement by the Peace Implementation Council Steering Board Ambassadors

The Steering Board of the Peace Implementation Council today congratulated the citizens of Bosnia and Herzegovina and the BiH Central Election Commission for the successful conduct of the general elections held on 3 October.

The Peace Implementation Council Ambassadors express the hope that the newly elected officials as well as the political parties, will embark purposefully on constructive dialogue, which will lead to the timely formation of new governments and subsequently to reform progress that will promote the country's European path.
