

HR/EUSR Inzko Meets BiH Presidency Chairman Silajdzic

High Representative and EU Special Representative Valentin Inzko met today with BiH Presidency Member and Leader of the Party for BiH Haris Silajdzic.

Today's meeting was part of a series of consultations the HR/EUSR will have with senior politicians and party leaders between now and the 3 October elections.

The HR/EUSR stressed during today's discussion – and he will continue to stress this in the coming weeks – that the central issue facing Bosnia and Herzegovina is how to reverse the economic decline of the last two years and get the country back onto the road to Euro-Atlantic integration.
