

Inzko Condemns Heinous Bomb Attack

High Representative and EU Special Representative Valentin Inzko has strongly condemned the heinous bomb attack on the police station in Bugojno early this morning.

The HR-EUSR fully supports the law enforcement and security agencies of BiH and is confident that they will bring the perpetrators to justice; he has called on all citizens to cooperate with the law enforcement agencies in their investigation.

“Our thoughts are with the family, friends and colleagues of the brave officers killed and injured in defence of the rule of law today,” said HR-EUSR Inzko.
