

HR/EUSR Meets Hungarian Army Chief of Staff

High Representative and EU Special Representative Valentin Inzko met today with Hungarian Army Chief of Staff, General László Tömböl. The HR/EUSR briefed General Tömböl on the current political situation in Bosnia and Herzegovina and in particular on efforts related to the NATO accession processes. "It is good that Bosnia and Herzegovina has received an invitation to NATO MAP. Now all domestic stake holders have to work hard to help BiH fulfill the remaining conditions and move forward with NATO membership" the HR/EUSR said.
