Peace Implementation Council

Steering Board Ambassadors

In order to facilitate the speedier resolution of the State Property transition benchmark as one of the remaining objectives of the "5+2" plan the Ambassadors of the Peace Implementation Council's Steering Board support the proposal by the High Representative Valentin Inzko to provide under the auspices of the Office of the High Representative technical assistance compiling a State Property inventory and the auditing of its results

The Ambassadors confirm that the sustainable resolution of the State Property issue is to be provided legally binding intergovernmental agreement signed by the Chairman of the Council of Ministers and both Entities' Prime Ministers in line with the communiqué of the Peace Implementation Council of 30 June 2009.
