

OHR Urges Swift Results in Višići

Office of the High Representative is extremely concerned about reports that a Mosque in Višići has been damaged in a fire and calls for the appropriate authorities to investigate this incident as quickly as possible.

While it is too early to conclude the investigation, Hercegovina-Neretva Ministry of Interior spokesperson says that preliminary indications are it was not an accident.

Attacks on religious objects or threats to the population can not be tolerated and are to be condemned. OHR expects that such incidents are treated with appropriate urgency and seriousness.
