

Brčko Supervisor Gregorian welcomes constructive approach on Brčko

“The approach on Brčko in the agreement between three political leaders in Banja Luka on 26 January is consistent in intent with what is needed to complete the Brčko Final Award agenda”, Brčko District Supervisor Raffi Gregorian said today in a meeting with the Chair of the Republika Srpska National Assembly Igor Radojičić.

Reviewing the proposed text agreed by the three leaders, the Supervisor welcomed the constructive approach adopted by the three leaders, but noted that a small number of technical issues need to be clarified and resolved. “I hope these technical points can be resolved as soon as possible and will not represent an obstacle to completion of this important issue”, the Supervisor concluded.
