

# BUSINESS REFORM OFFICER (BRO)

**DUTY STATION:** Sarajevo

**GRADE:** 8

**CONTRACT TYPE:** National

## **PURPOSE AND SCOPE OF POSITION:**

The High Representative launched an initiative on November 12th to dismantle barriers to business growth and job creation. He called this a “bulldozer” effort, and the intention is to help businesses knock down as many roadblocks and cut as much red tape as they can to free up the economy for growth. The committee is comprised of several regional committees throughout the country made up of local business associations. The central activities of the committees are coordinated with the support of OHR.

The Bulldozer Initiative’s approach is to trigger a bottom-up process of identifying, solving and legislating reforms that will have an immediate impact on business growth. The committees are engaged in extensive consultations with a wide range of local stakeholders, and OHR’s involvement serves as a facilitator and delivery mechanism rather than a driver.
