

OHR's Statement at the International Agency's Joint Press Conference

Chairman of the CoM Adnan Terzic and PDHR Donald Hays to visit Vitez, Travnik

Chairman of the Council of Ministers Adnan Terzic and Principal Deputy High Representative Donald Hays are in Central Bosnia Canton where they'll visit a timber factory and take part in a roundtable discussion that will bring together representatives of the CBC business community and politicians from the cantonal, Federation and State government.

Prime Minister Terzic and PDHR Hays will examine what has to be done in order to take the near-term reform agenda agreed at Bjelasnica and Mrakovica forward. The governments have committed themselves to make an intensive effort between now and the end of the year to boost exports, clean up the business environment and relaunch the privatisation process. Businesspeople will be asked to give their opinions on how this can be done effectively.
