

Expressions of Interest: Insurance Opportunity

OHR operates a fleet of over 140 vehicles consisting mostly of four-wheel drives and passenger cars. Our operations are mainly within Bosnia and Herzegovina, but travel routes may include Croatia, Serbia, and occasionally Western Europe.

At present, all our third party vehicle and passenger insurance is arranged through local companies in Sarajevo. The level of cover in this area is relatively low, and is limited by local law. We are now looking for **additional passenger insurance** to cover all loss and damage normally associated with road traffic accidents including, but not limited to, death, disability, injury, pain and suffering, medical expenses, and loss of earnings up to €10 million per claim.

The cover provided should be available to OHR employees, members of other International Community organisations, and occasionally others as passengers, and of course, to third parties.

Please advise if you are able to offer such cover by sending Expressions of Interest addressed to Head of Procurement by fax at ++387 33 283 565 or by e-mail to tender@ohr.int

Responses must be received no later than 4th April 2003, and should indicate what further information you need from us in order to provide a bid.

Please note this is an Expression of Interest only at this stage, and subsequent bidding will be by invitation based on the responses received.
