

# **Negotiations between private landowners at the Arizona Market and “Italprojekt” must start immediately**

Croat representatives in the Brcko District Government and the Brcko District Assembly and OHR Brcko call on the private landowners at the Arizona Market and “Italprojekt” to immediately start negotiating on how to implement the Assembly Decision and the Government’s Contract with “Italprojekt” in relation to the Arizona Market.

This negotiation should aim at avoiding the hardship in relation to expropriation but at the same time maintain the integrity of the Government concept on regulating the Arizona Market.
