BiH Ambassador to	entrance to EU countries to newly appointed BiH Ambassador with the Council

	<b>Dnevni Avaz</b> Sat pg 9 'Dragan Bozanic was banned from entering EU
	countries' by <u>A. Malagic</u> – Commenting to the decision of BiH Presidency to
	appoint Bozanic, chair of the Presidency <b>Sulejman Tihic</b> says: "I am waiting on the stance of BiH Foreign Affairs Ministry on this case, as it is obligated to check
	all candidates Because of all this, I will personally question the responsibility
	of the Ministry as such two mistakes [Tihic refers to Bozanic case and
	appointment of Congo's honorary consul to BiH] ruin BiH Presidency's and
	state's credibility." Spokesperson for BiH Foreign Ministry, Lepa Babic, states
	that Ministry has not checked Bozanic's background.
	<b>BHT 1</b> Fri – "It surprises that a person, who's entrance to EU was undesirable, is
	appointed as a BiH representative to the Institution which generally more then
	any other in the Europe deals with issues of human rights", EC spokesperson
	<b>Frane Maroevic</b> commented. <i>"Foreign Affairs Ministry is obligated to, let say</i>
	'wash out', all those objections and to come up with a 'clear' proposal. I
	received a proposal from them and I assume that all that was checked within
	the Ministry and that this proposal is completely clear" <b>Borislav Paravac</b>
	comments.
	<b>FTV</b> Fri – FTV says that appointment of Dragan Bozanic is a proof that anything
	is possible in BiH, adding that according to their source this is just a result of a
	political exchange between BiH Presidency's members. <b>Fuad Sabeta</b> ,
	Spokesperson of Foreign Affairs Ministry, said that its Board which advises the
	Minister has never discussed this appointment. Reporter concluded that most
	suspicious is the reaction of Sulejman Tihic who could not answer to the
	question of journalist as to why he didn't called upon the vital national interest
	which would automatically block the appointment.
	Nezavisne Novine pg 5 'OHR removed Dragan Bozanic from EU black list' by

	Bozanic as BiH Ambassador at Council of Europe.
Mladen Ivanic on	NTV Hayat by Senad Hadzifejzovic – In an interview to NTV Hayat, the BiH
Bozanic's	Foreign Affairs Minister Mladen Ivanic commented to the appointment of
appointment	Dragan Bozanic saying that were both formal and informal talks in BiH
	Presidency on this issues adding that the blockade of the Ambassadors'
	appointments lasted too long. "I didn't see any reason and no one up to this
	moment didn't give me any reason why Bozanic shouldn't be appointed. Mr.
	Bozanic was Deputy Minister, traveled throughout Europe while on this function.
	After that,he was appointed to the position of BiH Ambassador in
	SouthAfricanRepublic From that position, I don't see any special reasons why
	Mr. Bozanic wouldn't be appointed again to ambassadorial position," said
	Ivanic. Hadzifejzovic asked Ivanic can <b>Radovan Karadzic</b> 's Minister represents
	BiH, and he answered: "In that case, I think that this question should have been asked earlier, at the time when he was appointed to the Deputy Minister
	position, when he was appointed to earlier Ambassador's position Personally, I
	support appointments of non-controversial persons to such positions. In this
	case, there was proposal which was discussed in several occasions, and in
	informal talk on this subject things that we talked about now were never
	mentioned."

1-	Bozanic's appointment is obvious: to preserve politics of <b>Radovan Karadzic</b> to
Bozanic's	divide BiH and annex RS to Serbia. As for <b>Dragan Covic</b> , author reminds that
appointment	he is currently facing possibility of a number of lawsuits against him and <b>Paddy</b>
	Ashdown's criticism over preventing local judiciary to process war crimes
	cases. For this reason, "Covic thinks logically: everything should be done to see
	his 'self-rule' becoming republic, as in that case his freedom would be ensured.
	<i>In light of that, he voted for Bozanic."</i> Adding that while Bozanic's appointment
	may not be particularly important for destiny of BiH, it is certainly very
	indicative. Editorial wonders what would happen if Bosniak parties were to
	leave authorities protesting over this decision, however concludes that this is
	unlikely to happen as they 'made a deal with a devil' just to stay on power.

	unit of deminers to Iraq . Commenting to the statement by a journalist that
	there are many objecting this decision, Tihic added that there is no serious
	political party in BiH which does so.
	FTV Fri – When asked why this is so important for USA, Ambassador McElhaney
	has answered: "I could also ask why USA sent its soldiers to implement peace

	FTV Sat - Dragan Mikerevic commented: "I also raised issue of some initiatives
to DPA changes	which can be seen in BIH, but not outside of BIH, and these are the demands for
	changes of Constitution." Mikerevic stressed that USA authorities have no
	interest in changing Dayton agreement and that BIH authorities are the only

	RTRS Sat - MIkerevic also spoke to representatives of IMF and World Bank on

	<b>Oslobodjenje</b> Sat pg 2 'Mayor hopes for referendum', mentioned on cover, by
	A. Becirovic – Daily brings the comment of the mayor of municipality which as
municipalities in RS	of Friday ceased to be called Serb Sarajevo and instead was given by BiH
with prefix 'Serb'	Constitutional Court a temporary name 'Sarajevo East'. The Mayor, <b>Milivoj</b>
	<b>Gutalj</b> , says all technical preparations to make necessary changes have been completed but that they are waiting for final decision, stating that he is not
	certain how much this would cost the municipality which has to change its
	memorandum, seal, etc. BiH Constitutional Court brought decision to impose
	temporary names to all towns and municipalities in RS with a prefix 'Serb' after
	RSNA failed to change the names itself within three-months deadline. Gutalj

	2 'Still no agreement' by M.Dzepina – Joint commission of RSNA and RS Council
	of Peoples on Friday failed to agree on the change of names of cities, including
	Serb Sarajevo. Bosniak and Croat delegates in the Council of Peoples asked for
	prefix 'Serb' to be changed with 'Bosnian'. RSNA Speaker Dusan Stojicic
	commented that RS is constitutional category and all those opposing the name
	Sarajevo in RS must have strong arguments.
	BHT 1 Fri by Armela Subasic – BHT 1 comments that even though the decision
	of the BiH Constitutional Court was published in the Official Gazette the
	Municipalities in question still interpret it differently. Municipality Lukavica has
	respected this decision and they have removed the sign on Municipality's
	building. Municipality Kasindol still hasn't done anything on this issue, and it
	seams that they are waiting the appointment of new Head of the Municipality.
	Residents of Lukavica have the same opinion on this and they say that this was
	always Srpsko Sarajevo for them and it will stay like that, explaining that this
	decision was brought by the Institution which has nothing to do with Serb
	people. CIPS Direction said that citizens will be informed in time regarding the replacement of IDs, but it is still unknown will the documents be changed at all.

Humphreys: EC	The latest statements of EC representatives are rude' by <u>A. Malagic</u> – The
	Chairman of the Council of Ministers <b>Adnan Terzic</b> commented to the EC's
	statement which question whether BiH CoM enjoys the support of BiH
	Parliament and which says that CoM should considers resigning if it could not
	ensure the adoption of Law on single rate VAT saying that there was no reason
	for such reaction from the European Commission. "The introduction [of VAT]
	began six months before the deadline. Therefore, I think that the EC reaction
	was not appropriate. The EC has no right to communicate with the BiH CoM in
	such manner. Their statements given in the past few days could be
	characterized as rude," Terzic said adding that he will try to solve this issue
	with EC in Brussels as he is interested to know whether they want to see this
	CoM resigning. "It is obvious that Ambassador [Michael] Humphreys thinks
	so, " Terzic concluded adding that after he sent letter to Humphreys EC came
	with even harsher comments. He emphasizes that he has weekly meetings with
	EC and that this issue was never brought up concluding that 'some game must

BHT 1 on report on BiH cooperation with ICTY	<b>BHT 1</b> by Laura Bosnjak – In case of a negative report on BIH's cooperation with ICTY, which will be presented to UN Security Council next month, BIH will not start negotiations on Stabilization and Association Agreement, and will lose the support of the international lobbies. France and Germany are strongest supporters of BIH's association to EU, while Scandinavian countries and Great Britain are much less supportive. EU is disappointed by appointment of <b>Dragan</b> <b>Bozanic</b> as BIH Ambassador to European Council, which also might lead to losing lobby support. ICTY Chief Prosecutor <b>Carla Del Ponte</b> will submit the final report on BIH cooperation with ICTY to Security Council, NATO and EU next month. Negative report will close the doors to Euro-Atlantic integrations.
