

Decision Enacting Amendments to the Constitution of the Herzegovina-Neretva Canton

In the exercise of the powers vested in the High Representative by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering, in particular, Article II.1.(d) of the last said Agreement, according to the terms of which the High Representative shall “[f]acilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation”;

Recalling paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative’s intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid “by making binding decisions, as he judges necessary” on certain issues including (under sub-paragraph (c) thereof) measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities which “may include actions against persons holding public office or officials...who are found by the High Representative to be in violation of legal commitments made under the Peace Agreement or the terms for its implementation”;

Noting that the Steering Board, at its meeting held at Political Directors' level on 26 September 2003, considered the resolution of the Mostar question as crucial to the sustainable and peaceful development of Bosnia and Herzegovina;

Bearing in mind the special status given to Mostar under the Dayton Agreement on Implementing the Federation of Bosnia and Herzegovina, signed on 10 November 1995, and in the Annex thereto which establishes principles for the Interim Statute for the City of Mostar;

Further bearing in mind that the political authorities at the "City" and the "City-Municipality" levels have hitherto failed to unify the City of Mostar under the said Interim Statute, and have, rather, used the City-Municipalities to create parallel institutions and divide the City;

Mindful of the need to consolidate the administrative, functional and legal unity of the City of Mostar in a manner that promotes efficiency in the delivery of services, guarantees the fundamental rights of all citizens, ensures the collective rights of the constituent peoples and prevents dominance by one segment of the population of Mostar;

Acknowledging the work of the Commission for Reforming the City of Mostar established by the High Representative on 17 September 2003 (hereinafter: "the Commission");

Welcoming the efforts undertaken by the political parties involved in the said Commission which culminated in concrete proposed solutions to various key issues relating to the reorganization of the City of Mostar;

Convinced that said proposed solutions provide a sound basis for the establishment of the aforementioned guarantees and safeguards, and, further contain carefully negotiated power-sharing provisions aimed at enabling the citizens of Mostar to build a foundation for a progressive future predicated upon,

inter alia, protection of national vital interests;

Encouraged that said proposed solutions emerged from the broadest possible consensus with respect to the reorganization of the City of Mostar;

Regretting that the parties involved in the Commission failed to reach a consensus on two outstanding issues and convinced that the resolution of said issues would significantly improve applied standards of governance in the City while maintaining an electoral architecture reflective of the *sui generis* circumstances in Mostar arising from profoundly conflicting interests among its constituent peoples.

Bearing in mind that the Steering Board of the Peace Implementation Council, at its meeting held in Brussels on 11 December 2003, committed itself to give its full support to the implementation of a solution to the issue of Mostar based on a single coherent city administration with effective guaranteed power-sharing mechanisms which prevent any one people having majority control of the City Council and to act to ensure that implementation of the plan in the coming months has the necessary political and economic support”;

Stressing the need to hold democratic elections at local level in Mostar as well as throughout Bosnia and Herzegovina on the first Saturday of October 2004 and bearing in mind the need to start preparing those elections;

Having considered, borne in mind and noted all the matters aforesaid, the High Representative hereby issues the following
