

# **Decision Enacting The Law On Amendments To The Law On Earmarking And Channelling A Part Of The Company's Revenue Effectuated On The Basis Of The Use Of The Hydro-Power Plants**

*In the exercise of the powers vested in the High Representative by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering in particular Article II.1. (d) of the last said Agreement, according to the terms of which the High Representative shall "Facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation";*

*Recalling paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative's intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid "by making binding decisions, as he judges necessary" on certain*

issues including (under sub-paragraph (c) thereof) measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities”;

**Further** recalling that on 2 August 2000 the City Council of Mostar enacted the *Decision on the fee for the management of areas for providing infrastructure* pursuant to the Amendment XVI to the BiH Federation Constitution, Amendment I to the Constitution of the Hercegovina-Neretva Canton, article 64 of the Law on Local Self-Government of the HN Canton, article 5 of the Law on distribution of Public Revenues of the HN Canton, article 7, paragraph 2 and article 64 of the Interim Statute of the City of Mostar;

**Noting** that the fees stipulated in the said Decision provided approximately 50% of the revenues of the budget for the funding of the Administration of the City of Mostar;

**Noting** further that one of the effects of the subsequently adopted Law on Earmarking and Channeling a part of the Company’s Revenue Effectuated on the Basis of the Use of Hydro-Power Plants (Official Gazette of the Federation of Bosnia and Herzegovina, 44/02) is to re-allocate the revenues provided for under the Decision mentioned in the preceding paragraph to the budget of the municipalities and not to the budget of the Administration of the City of Mostar;

**Noting** also that this has created a financial crisis for the Administration of the City of Mostar and without these fees from the stipulated companies to the Administration of the City of Mostar, the latter would collapse financially and, consequently would be unable to render public services in the City of Mostar;

**Recalling** paragraph 3 of the Federation Annex to the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997 in which the Peace Implementation Council urged “the Federation rapidly to [...]

ensure that the City of Mostar and its unified City Administration is operational in all aspects”.

**Considering** that steps have already been taken to establish a Commission tasked with producing a comprehensive proposal for the administrative future of the City, including its financing;

**Bearing in mind** that a unified Mostar City with a functioning City Administration is fundamental to create a democratic and multi-ethnic political process on local level;

*Having considered* and borne in mind the totality of the matters aforesaid, the High Representative hereby issues the following:
