

Decision Amending the Constitution of the Republika Srpska

In the exercise of the powers vested in me by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering in particular Article II.1. (d) of the last said Agreement, according to the terms of which the High Representative shall “Facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation”;

Recalling paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative’s intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid “by making binding decisions, as he judges necessary” on certain issues including (under sub-paragraph (c) thereof) “measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities”;

Recalling further paragraph I.2.a. of the Conclusions of the said Bonn Conference which recognized “that an impartial and independent judiciary” was “essential to the rule of law and reconciliation within Bosnia and Herzegovina”, that the judicial appointment process must be based on merit, that a

judicial training facility must be established, and that the monitoring of the judicial system was an essential element of the aforesaid process;

Mindful of paragraph II.2 of the Annex to the Declaration of the Peace Implementation Council (Madrid, 16 December 1998) which “emphasize[d] the importance of intensified judicial reform efforts, co-ordinated by the High Representative, to support the efforts of the authorities in BiH [Bosnia and Herzegovina]” and “urge[d] the High Representative to further develop a comprehensive judicial reform strategic plan, identifying short and longer-term priorities, in consultation with the authorities, the Council of Europe, OSCE, UNMIBH and other organizations”;

Bearing in mind that a truly independent and impartial judicial and prosecutorial system is essential to ensure the Rule of Law in all criminal, civil and commercial matters and guarantee the advancement of human rights and freedoms and reconciliation within Bosnia and Herzegovina, and the establishment of a functioning market economy;

With the objective of ensuring that international standards contained in the “Basic Principles of Court Independence” of the UN of 1985, Council of Europe Recommendation No. R (94) 12 of the Committee of Ministers of Member States on the “Independence, Efficiency and the Role of Judges” and the Council of Europe’s European Charter on the “Statute for Judges” are respected and that a professional, efficient and impartial selection, appointment, disciplinary and dismissal process of Judges and Prosecutors in the Republika Srpska is established;

Observing that the Judicial and Prosecutorial appointment, disciplinary and dismissal process must be conducted according to objective criteria based on proper professional qualifications and transparent procedures to ensure a Judiciary that is the legitimate guardian of the Rule of Law

in the Republika Srpska;

With the objective of guaranteeing the development of an independent and unbiased judiciary, and of the prosecutorial service in the Republika Srpska;

Having considered and borne in mind all the aforesaid matters, I hereby issue the following:
