

# Decision Amending the Law on the Temporary Prohibition of Disposal of State Property of Republika Srpska

**In the exercise** of the powers vested in the High Representative by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering in particular Article II.1. (d) of the last said Agreement, according to the terms of which the High Representative shall “(f)acilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation”;

**Recalling** paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative’s intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid “by making binding decisions, as he judges necessary” on certain issues including (under sub-paragraph (c) thereof) “measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities”;

**Recalling further** that the Declaration of the Peace Implementation Council Steering Board adopted at the level of Political Directors in Sarajevo on 24 September 2004 called

for a “lasting solution” to “the issue of State Property”;

**Noting** that, pursuant to the aforesaid declaration, a Commission for State Property, for the Identification and Distribution of State Property, the Specification of Rights and Obligations of Bosnia and Herzegovina, the Entities and the Brcko District of Bosnia and Herzegovina in the Management of State Property (hereinafter: “Commission”), comprised of expert representatives from both Entities of Bosnia and Herzegovina, the Brcko District of Bosnia and Herzegovina, and the Institutions of Bosnia and Herzegovina, was formed in December 2004 by a Decision of the Council of Ministers of Bosnia and Herzegovina (Official Gazette of Bosnia and Herzegovina no. 10/05, 18/05, 69/05, 70/05, hereinafter: “Decision”);

**Considering** that, in accordance with the aforementioned Decision, the Commission is tasked, among other things, with proposing legislation that regulates the identification of which property is owned by Bosnia and Herzegovina, the Federation of Bosnia and Herzegovina, Republika Srpska and Brcko District of Bosnia and Herzegovina, and that specifies their respective rights of ownership and management of State Property;

**Recalling** that the Law on the Temporary Prohibition of Disposal of State Property of Republika Srpska (“Official Gazette of Republika Srpska” No. 32/05, 32/06, 100/06, 44/07, 86/07, 113/07) temporarily prohibits disposals of a State Property until the earlier of either the entry into force of the above-mentioned legislation on ownership rights and management of State Property, or on 30 June 2008;

**Recalling** that, in its declaration of 19 June 2007, the Steering Board of the Peace Implementation Council expressed deep dissatisfaction with “the three-year failure of the State and Entity authorities to reach an agreement on the issue of apportionment of State Property”;

**Recalling further** that the Peace Implementation Council Steering Board at their meeting on 30 and 31 October 2007 “reminded the three prime ministers of the urgent need to reach an inter-governmental agreement on this question and requested the High Representative to undertake all appropriate measures to bring this issue to a conclusion”;

**Noting** that the Peace Implementation Council Steering Board, at their meeting on 27 February 2008, defined the “Acceptable and Sustainable Resolution of the Issue of Apportionment of Property between State and other Levels of Government” as the first of five objectives that will need to be delivered by the authorities of Bosnia and Herzegovina prior to Office of the High Representative’s transition” into the Office of the European Union Special Representative, called upon the authorities in Bosnia and Herzegovina to “achieve these objectives and contribute to fulfilling these conditions as soon as possible,” and further requested that the “High Representative undertake all appropriate measures to ensure that the above objectives are met”;

**Regretting** that, in accordance with the Decision of the High Representative Amending the Law on Temporary Prohibition of Disposal of State Property of Republika Srpska (“Official Gazette of Republika Srpska” No. 113/07), the temporary prohibition of disposals of State Property will expire on 30 June 2008 prior to the enactment of the legislation on the ownership rights and management responsibilities of Bosnia and Herzegovina, the Federation of Bosnia and Herzegovina, Republika Srpska and Brcko District of Bosnia and Herzegovina regarding State Property;

**Recalling** the 25 June 2008 Communiqué of Peace Implementation Council by which the Steering Board Political Directors noted that “the four-year failure of the State and Entity authorities to reach an agreement on the first objective, thereby necessitating the High Representative to yet again extend the ban on disposal of State Property, and called upon

political leaders to “build on the progress they have made in other areas and to take the lead and to reach an agreement on this matter that enables the State to conduct its constitutional responsibilities”;

**Recognizing** that the protection of the interests of Bosnia and Herzegovina and its subdivisions from the potential prejudice posed by further disposals of State Property prior to the enactment of appropriate legislation requires another extension of the laws temporarily prohibiting the disposal of State Property by Bosnia and Herzegovina, the Entities or any of its subdivisions;

Having considered, borne in mind and noted all the matters aforesaid, the High Representative hereby issues the following:

## **DECISION**

### **Amending the Law on the Temporary Prohibition of Disposal of State Property of Republika Srpska**

which is hereby attached as an integral part of this Decision.

The said Law shall enter into force as a law of Republika Srpska on the date provided for by Article 2 therein.

This Decision shall come into force forthwith and shall be published without delay in the “Official Gazette of Republika Srpska”.

<i>Sarajevo, 25 June 2008</i>	<i>Miroslav Lajčák</i>
	<i>High Representative</i>
