

Decision allocating jurisdiction for the investigation, prosecution and trials of incidents of violence and intimidation in the Federation during the past month to the Cantonal Prosecutor and Cantonal Court of Sarajevo

In the exercise of the powers vested in me by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering in particular Article II.1.(d) of the last said Agreement, according to the terms of which the High Representative shall "Facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation";

Recalling paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative's intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to

facilitate the resolution of any difficulties as aforesaid “by making binding decisions, as he judges necessary” on certain issues including (under sub-paragraph (c) thereof) “measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities”;

Considering Article II 2. and Article II 3. (e) of the Constitution of Bosnia and Herzegovina which provide that all persons within the territory of Bosnia and Herzegovina shall enjoy the human rights and fundamental freedoms set forth in the European Convention for the Protection of Human Rights and Fundamental Freedoms and its Protocols including “the right to a fair hearing in Š criminal matters, and other rights relating to criminal proceedings”;

Bearing in mind that in order to hold a fair hearing, the conduct of a full, timely, efficient and comprehensive pre-trial investigation is indispensable;

Recognizing that in criminal proceedings every endeavor must be made to ensure that all facts are, so far as can be achieved, safely and accurately established;

Considering the importance of guaranteeing the implementation of the basic principles of criminal procedure as required by Chapter I, Article 1 through 19 of the Criminal Procedure Code of the Federation of Bosnia and Herzegovina (Official Gazette of the Federation of Bosnia and Herzegovina, No. 43/98);

With the object of implementing the principle of legality of criminal prosecution as required by Article 16 of the Criminal Procedure Code of the Federation of Bosnia and Herzegovina (Official Gazette of the Federation of Bosnia and Herzegovina, No. 43/98);

Noting the vital importance to the Federation of Bosnia and Herzegovina and to Bosnia and Herzegovina of ensuring that the rule of law is strengthened and followed.

I hereby issue the following
