

Decision amending the Law on Customs Policy

In the exercise of the powers vested in me by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said agreement on the civilian implementation of the peace settlement; and considering in particular Article II.1 (d) of the *same* Agreement, *in terms of which the High Representative shall have the power to* “facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation;”

Recalling paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative’s intention to use his final authority in theatre, regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement, in order to facilitate the resolution of any difficulties as aforesaid “by making binding decisions, as he judges necessary” on certain issues including (under sub-paragraph (c) thereof) “measures to ensure the implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities”;

Considering that Article III. 1.c of Annex 4 (Constitution of Bosnia and Herzegovina) establishes customs policy as a responsibility of the institutions of Bosnia and Herzegovina, and that the State of Bosnia and Herzegovina enacted the Customs Policy Law of Bosnia and Herzegovina which was published in the Official Gazette of Bosnia and Herzegovina on 31 October 1998 (BiH O.G. 21/98);

Bearing in mind that the Peace Implementation Council on 16 December 1998 in its Madrid Declaration (Paragraph 16 of Part IV of the Annex to the Peace Implementation Agenda) required the authorities of Bosnia and Herzegovina to strengthen the common institutions and make them more effective by, inter alia, ensuring proper implementation of Customs Laws, including the establishment of a mechanism to monitor implementation of the Law on Customs Policy of Bosnia and Herzegovina,

Further bearing in mind that the Peace Implementation Council on 24 May 2000 in its Brussels Declaration urged the High Representative to use his authority in accordance with his mandate to ensure full and accelerated implementation in all sectors of civilian implementation, including removing obstacles that stand in the way of economic reform, and found the need for authorities to proceed with broad-based reform of the customs systems to be critical;

Noting that the amendments to the Law on Customs Policy were prepared a year ago, and particularly considering the fact that these amendments are critically needed to fight corruption and to move forward with economic reforms in Bosnia and Herzegovina;

Having considered, borne in mind and noted all the matters aforesaid, I hereby make the following Decision. The Law which is hereinafter set out with the amended annexes thereto shall enter into force as provided for therein on an interim basis, until such time as the Parliamentary Assembly of Bosnia and Herzegovina adopts this Law in due form, without amendments and with no conditions attached.

This Decision, which has immediate effect, shall be published without delay in the Official Gazette of Bosnia and Herzegovina and also in the Official gazette of the Federation of Bosnia and Herzegovina and of the Republika Srpska.

3. The amount to be deducted pursuant to paragraph 5 shall be calculated on the basis of the quantity and nature of the goods in question on the date of acceptance of the declaration placing them under the outward processing procedure and on the basis of the other paragraphs of charge applicable to them on the date of acceptance of the declaration relating to the release for free circulation of the compensating products.

4. Where the purpose of the processing operation is the repair of temporary export goods and such repair is carried out in return for payment, the partial relief from import duties provided for in Article 144a (1) in this Law shall be granted by establishing the amount of the duties applicable on the basis of the elements for establishing the duty pertaining to the compensating products on the date of acceptance of the declaration of release for free

circulation of those products and taking into account as the customs value an amount equal to the repair costs, provided that those costs represent the only consideration provided by the holder of the authorization and are not influenced by any links between that holder and the operator.
