

Decision on the appointment of the Transfer Agent and the Expert Team for the establishment of public service broadcasting

In the exercise of the powers vested in me by Article 5 of Annex 10 to the General Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theater regarding interpretation of his mandate; and considering in particular Art. II.1.(d) of the same Agreement, in terms of which the High Representative shall have the power to "*facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation*"; recalling the interpretation of such a power given in paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn the 10 December 1997, particularly sub-paragraph (b) thereof, in terms of which the High Representative is entitled to make binding decisions, as he judges necessary, on the adoption of measures aiming at ensuring implementation of the Peace Agreement throughout Bosnia and Herzegovina, including "*interim measures to take effect when parties are unable to reach agreement*";

Considering that on 11 June 1998 the Presidency of BiH adopted a Memorandum of Understanding on the Restructuring of RTV BiH and that, due to the inability of the parties to agree on the implementation of such Memorandum, the High Representative enacted on 30 July 1999 a Decision on Restructuring the Public Broadcasting System in Bosnia and Herzegovina [O.G. of BiH of September 2nd, 1999];

Bearing in mind that in terms of Article 3 of the Decision on Restructuring the Public Broadcasting System in Bosnia and Herzegovina the High Representative shall, in consultation with IMC, appoint a Transfer Agent, and an Expert Team, to take care of the dismantling of RTV BiH through the re-allocation of its resources to PBS BiH, FBiH RTV and RTRS, settle any residual claim among the recipients in a way securing their continuation as viable public broadcasters, and decide on the allocation of resources previously used for the illegal re-broadcasting of HRT into BiH;

Noting that, due to the political and financial difficulties which arose in the implementation of the High Representative's Decision on Restructuring the Public Broadcasting System in Bosnia and Herzegovina, the deadlines established under Article 3 of the Decision for the activities of the Transfer Agent the could not be met;

All this considered, born in mind and noted, I hereby issue the following

DECISION

The signatories of the General Framework Agreement for Peace in Bosnia and Herzegovina; the authorities of Bosnia and Herzegovina, the Brcko District, the Entities and subdivisions thereof; and the governing organs and personnel of RTV BiH, PBS BiH, RTV FBiH and RTRS shall fully cooperate with the Transfer Agent and the members of the Expert Team, and comply with their instructions.
