

Decision on the Special Auditor for the Federation of Bosnia and Herzegovina

In the exercise of the powers vested in me by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering in particular Article II.1.(d) of the last said Agreement, according to the terms of which the High Representative shall “Facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation”;

Recalling paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative’s intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid “by making binding decisions, as he judges necessary” on certain issues including (under sub-paragraph (c) thereof) “measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities”;

Considering the current situation as to the public budget in the Federation of Bosnia and Herzegovina and paying attention to the fact that transparency in governmental behavior of spending public funds is not sufficiently established;

Bearing in mind that the Peace Implementation Council at its

meeting in Brussels on 23/24 May 2000 urged measures for improved transparency in public budgets;

Bearing also in mind that the Peace Implementation Council at its meeting in Brussels on 23/24 May 2000 urged the High Representative to use his authority in accordance with his mandate to remove obstacles that stand in the way of economic reform and to create the conditions for self-sustaining market-driven economic growth to avoid an economic crisis as Bosnia and Herzegovina makes the transition from a donor dependent economy;

Noting that the public financial situation demands a safeguard of public funds;

Noting that following the appointment of the Auditor-General and the Deputy Auditor-General in October 2000, the Federation Supreme Audit Institution is now able and willing to fulfill its mandate of providing transparency over the budgets of the Federation;

Reminding of the Decision of the High Representative on the Special Auditor for the Cantons of the Federation of Bosnia and Herzegovina of 5 February 2001 (n. 83/2001) by which transparency of Cantonal level budgets shall be assured;

Considering that a harmonization between the work of the Supreme Audit Institution and the Special Auditor's office is in the general interest of transparency in the Federation of Bosnia and Herzegovina and in the specific interest of the two aforementioned agencies;

Noting that a comprehensive and effective audit of the Federation of Bosnia and Herzegovina by the Special Auditor must include an audit of the Entity level institutions;

Concluding that the transition from the former Payment Bureaus to a functioning Banking system needs an independent oversight and an objective control;

All this considered, borne in mind and noted, I hereby issue the following Decision on the Special Auditor for the Federation of Bosnia and Herzegovina;
