High Representative Christian Schmidt Catholic Christmas Greeting

High Representative Christian Schmidt extended his Christmas greetings to all Catholics in Bosnia and Herzegovina:

“Christmas is a time to pause, to spend meaningful moments with family and friends, and to reflect on the values that bring us closer – kindness, solidarity, and hope.

May the days ahead bring peace to your homes, strength in times of challenge, and joy in the small moments we often cherish most.

I wish all Catholics in Bosnia and Herzegovina, at the birthday of Jesus Christ, a Merry Christmas and a year ahead marked by health, understanding, and shared responsibility for a better future.”
