

High Representative congratulates Yom Kippur

On the occasion of Yom Kippur, the holiest day in Judaism, High Representative Christian Schmidt extends his greetings to members of the Jewish Community in BiH.

“I congratulate the Jewish fellow citizens in Bosnia-Herzegovina on Yom Kippur, the high festival of atonement.

May this day of atonement be a day of remembrance and preparation for everyone in Bosnia and Herzegovina. All of us, being Jewish, Muslim, Christian or other, need to work together for peace and reconciliation.

G'mar chatima tova!”
