INVITATION TO BID: For The Supply of Vehicle Spares and Tyres to Sarajevo BiH

Deadline for bid submission: Friday 14 December 2001

1. OHR wishes to invite bids for the supply of Vehicle Spares and Tyres as represented on the attached lists. Bidders should note that this list is not complete or exhaustive, but represents a selection of the parts in common use.
2. OHR intends to award a supply contract for twelve months commencing January 2002. Individual orders may be placed on the terms of this contract at any time. The successful bidder may be expected to supply any required parts for the vehicles indicated, and actual supplies may differ from those listed.
3. In all cases deliveries will be to OHR workshop in Sarajevo.
4. In all cases spares must be manufacturers original and genuine.
5. The vehicles in use are Land Rover, Toyota, and Volkswagen. OHR offers no guarantees as to annual quantities of consumables or spares to be purchased, but for pricing purposes bidders may wish to note the current fleet content:
   Land Rover Discoveries: 70. Toyota: 9. VW Passat: 19, GOLF III: 19, GOLF IV: 6.

6. Please quote your best price in EUROS for each part shown, in the same order as the list. You should note that OHR, as a diplomatic organisation, is exempt from all taxes and customs duty and your prices should exclude all such taxes and duties.

7. Please state any **minimum order value** which would be expected, and how you would charge for **delivery** to Sarajevo.
8. Delivery times must be clearly stated.
9. You may bid for any one (or more) vehicle type, or for tyres only, but incomplete lists will not be considered. If for any reason your firm is not able to provide or quote for any item on a list, please provide a brief (one line) written explanation.
10. If selected for award, the terms and prices indicated in your bid may be annexed to the supply contract and considered legally binding for the duration of the contract.
11. OHR payment policy is bank transfer 30 days after delivery and invoice certification.
12. Bids will be evaluated on the basis of completeness, unit costs, delivery costs, and times. The OHR reserves the right to make multiple awards, based on vehicle make or any other criterion, or conclude the issue without award.
13. By submission of this tender the bidder is confirming that it is legally allowed to export or is otherwise licensed to operate as a supplier in the state/location of operation.
14. Any questions or requests for further information must be made in writing to the Head of Procurement, by fax, at the number shown above. Contact with other OHR officers or staff regarding this invitation to bid may be considered grounds for disqualification.
15. Completed bids should be in a sealed envelope clearly marked **Vehicle Spares Tender** and delivered **no later than Friday 14 December 2001** to the following address:
