

## **Positive Reactions to the Bulldozer Project**

[P.2] SARAJEVO – Analyzing results of the first phase of the Bulldozer project, they say in the OHR that, apart from positive reactions in BiH they received numerous reactions from abroad. The Economic attaché of the Embassy of Serbia and Montenegro expressed his interest in procedures related to the Bulldozer project and wishes to take the Committee experiences to his country. A business school from Bled, Slovenia requested presentation of the project, in order to teach their students.
