At "Alloy Wheels" d.o.o. Jajce

Results of Bulldozer Committee Presented

[P.07] DIVICANI/JAJCE – In a production hall of a factory in Divicani near Jajce, at the "Alloy Wheels" company, better known as the factory of aluminum wheels, machines were stopped on Wednesday. Their noise was replaced by words of participants of presentation of Bulldozer Phase I results, whose task is to improve and harmonize economy in the whole of BiH.

Miroslav Leko, general manager of this company welcomed the attendees – Principal Deputy High Representative, Donald Hays with associates, FBiH Prime Minister, Ahmet Hadzipasic, RS Prime Minister, Dragan Mikerevic, Brcko District Mayor, Branko Damjanac, Jajce municipality mayor, Branko Cavar, Chairman of Jajce Municipal Board, Nijaz Duranovic and many other respected guests and businesspeople. The host presented the most important information about the factory- they annually produce over 500 000 aluminum wheels that are exclusively exported to foreign markets.
