Sarajevo

The BiH Federation Government decided to increase the price of diesel, engine gas and heating oil by 9,15 % in average. The Government explained its decision with the purchase problems. Also, the Government announced that the increase was economically justified and that the prices of other products on the market would not change. The report was produced by OBN reporter, Vedran Persic.

This was followed by an analysis, produced by Sanjin Beciragic for TV INFO, on the reasons for the increase of oil prices. There were some speculations that this was a game between the Government and the private owners where the citizens will probably have to suffer increase of the prices of all products on the BiH Federation market.

Tuzla

Some 300 workers of the Tuzla company "Polihem" went on strike today because their demands were not fulfilled. The decision was made after a session of the company's syndicate board. The main reason for the strike is unpaid salaries, OBN reporter from the area, Damir Slepcevic, confirmed.

Sarajevo

As from today, taxes for high-tax goods are same all over Bosnia and Herzegovina. This was the last condition imposed by the International Monetary Fund to the BiH Federation in order to continue the credit arrangement between BiH and the [World Bank](#). The same conditions are imposed to the RS and the deadline is March 17th. The piece was produced by OBN reporter, Amarildo Gutic.

Banja Luka

Representatives from both houses of the BiH Parliament from the RS will restart their participation in the sessions of this joint institution. This was the main topic of the talks between the representatives from the RS in the BiH Parliament and the BiH Presidency Member, Zivko Radisic, and the Vice President of the RS, Mirko Sarovic, held in Banja Luka today, Nedeljka Breberina confirmed for TV INFO.

World

Fifteen Serbs and two members of KFOR were injured in the clashes which occurred in the North part of Kosovska Mitrovica. Pentagon warned that there might be open arm clashes between KFOR troops and Kosovo Albanians extremists in Kosovo on spring. Representatives of [NATO](#) and Russia began a meeting in Brussels where they discuss disarmament and military strategy in Europe. The piece on these and other current events in the world was produced by OBN journalist, Gordana Frimel.
