He expressed the hope that this problem is going to be solved within those institutions.
SDP's Pudaric: Election Commission is not revoking Sarajevo City Council because of SDP	RHB – SDP General Secretary Svetozar Pudaric issued a press release after statement of SDA Chairman Sulejman Tihic (HB presenter does not specify the statement). Pudaric stressed that Election Commission is not revoking the election of Sarajevo City Council because of SDP but because of complaints from SDP. **Huremovic:  
Serbian  
police often  
detains and  
interrogates  
Janja  
citizens who  
cross the  
border**

**Oslobodjenje** cover pg splash, pgs 4-5  
'Janja citizens are being apprehended by  
Serbian policemen and interrogated in  
Loznica' by Edina Kamenica – A member of  
Janja Local Community Board, **Ibrahim  
Huremovic**, claims Serbian police often  
apprehends and interrogates Janja citizens  
who dare to cross the nearby border  
between BiH and SiCG to reach their land.  
He says the stance of the Border Service  
deteriorated after their frequent  
statements on their issues. BiH Minister  
for Refugees **Mirsad Kebo** says the issue of  
borders is a delicate issue and he added  
this is not the only disputable border  
issue. He says BIH and SiCG Inter-state  
Council will hold talks on these problems.  
Huremovic claims he had addressed Minister  
**Mladen Ivanic** who had replied that the  
problem had been resolved since an  
agreement was reached with SiCG. Huremovic  
denies this is true. The article reads the  
only reaction from OHR is a statement of a  
spokesperson given at the end of the last  
year saying that the two states should  
resolve this issue.

<p><b>Youth Informative Agency awarded prizes to BiH authorities for their moves for youth</b></p>	<p><b>FTV, TV Pink, Nezavisne Novine</b> pg 2  ‘Awards for the poorest moves of the authorities’ by D. The first prize goes for BiH Parliamentary Assembly and those are small automobiles for every member of BiH Parliament. Youth said they felt a need to award them for everything they did for them. They have got these prizes because they didn’t succeed to pass the law on high education. The second prize goes to BiH Council of Ministers (CoM), due to failure to establish a commission for youth’s issues in BiH. The third prize in individual category, only for the local level, has been awarded to Sarajevo Canton Minister of Environment, <b>Zlatko Petrovic</b>, because of his contribution in selling of former barracks “Marsal Tito” to the USA Embassy. Exactly due to such moves, according to the last polls, 72% of youth in BiH want to leave BiH. FTV conducted a poll among youth and opinions on staying or going away were different.</p>

probably  
start SAA  
negotiations  
by the end  
of 2005**

**TV Pink** Aida Doric – In an interview for INFOTOP, the Chair of BiH Council of Ministers, **Adnan Terzic** said that BiH was going to reach the phase in which it would be able to start negotiations on Stabilization and Association Agreement. *"I think that the EU is going to accept that the progress is sufficient for this phase and that the European Commission does not ask for **Ratko Mladic** and **Radovan Karadzic** to be arrested in order to start negotiations. I am sure that we can start negotiations on SAA by the end of this year, and my plan is to sign the agreement by the end of our mandate"*, said Terzic. Terzic said that two more great problems had to be solved in order to start the negotiations; namely law on public broadcasting service and winning of permission related with the basic elements regarding police structure reform, for which the High Representative, **Paddy Ashdown** announced that negotiations on consensus, were to be started by the end of April. *"During the Peace Implementation Council session I said that by signing the SAA, BiH will need no OHR in BiH, instead we should have a high European Commission representative"*, said Terzic on being asked on future International Community role to BiH. Terzic stressed that it was no possible to move forward without police reform and that all those who participate in negotiations should realize how high the price was.
