SDA on HR's decision on renaming of Sarajevo airport after Izetbegovic: HR lost SDA support/Tihic: Protest gathering in front of Sa airport possible

RHB, Pink, Hayat, FTV, RTRS, Dnevni Avaz pg 3, mentioned on cover 'Ashdown has lost SDA support' by S. Turcalo, Oslobodjenje cover pg splash and pgs 4 and 5 'Ashdown equalized Alija Izetbegovic with Karadzic' by S. Sehercehajic, Nezavisne Novine pg 3 'Ashdown's decision condemned in SDA welcomed in RS' by A.D., M.L., D.B., Vecernji List pg 2 'Tihic: Ashdown does not have SDA support any longer!' by f – At its extraordinary session convened with regard to High Representative, **Paddy Ashdown's** decision to annul renaming of the International Airport Sarajevo after **Alija Izetbegovic** SDA strongly protested against such decision. SDA President, **Sulejman Tihic**, told at a press conference that by passing such decision the HR had lost SDA support, adding: *"With this decision he [HR] has equalised Alija Izetbegovic with Radovan Karadzic and other war criminals, and humiliated all BiH patriots and citizens."* Tihic pointed out the failure of the **Peace Implementation Council Steering Board** to react to the name of the RS, given by war criminal Karadzic, while it sees a problem in changing the airport name after the first president of an independent BiH. According to SDA, this decision is an example of double standards – one standard is applied for the Bosniaks and another one for all the others. Tihic also reminded that the decision on changing the airport name was passed unanimously, in line with all procedures prescribed by the law, adding: *"There was full consensus of all Board members, regardless of their party or nationality."* DA inset 'Broken promise' carries Tihic as saying that the last week the HR promised that he would not annul the aforementioned decision and interfere in its passing noting that such decision is not wise, however, the HR broke this promise. Another DA inset 'Protest gathering' carries that Tihic also said that there is a possibility that a gathering in front of the Sarajevo airport takes place as a sign of protest against the HR's decision. Tihic added that the Board in charge of marking the 2nd anniversary of Izetbegovic's death will decide on this possibility on Monday. Osl. inset 'Ceremony at Liberation Square on October 19' carries that it has been planned that the ceremony with regard to renaming Square of Liberation into Square of Liberation of Alija Izetbegovic takes place on October 19.
