The Agency took the decision on basis of a request by the Provisional Administrator for 'Hercegovacka Bank' (HB), **Toby Robinson**, who demanded that the HT Mostar paid 2 million KM into the HB's account. Robinson's request is based on a court decision according to which the HT Mostar has to allocate on its account 2 million KMs that are to be paid out in form of compensation to the 'Hercegovina Osiguranje' (H0), and Robinson wants the HT Mostar to pay to money to the HB. Court is yet to take a decision on the actual payment of the money. The CEO of HT Mostar, **Stipe Prlic**, calls the decision a scandal because the HT lost a case to H0, not to HB, saying that Robinson has no right to block the HT Mostar's accounts.

**BHT 1: Crisis
in BiH Com
fabricated by
politicians to
avoid
responsibility
for bad
records?**

BHT1 by Lejla Redzovic Medosevic – EU's message to BiH politicians is clear – implement your obligations and we will talk about your admission to the EU, reports BHT commenting that it seems that BiH politicians do not pay any attention to that message and their own obligations.

BiH authorities didn't agree on key reforms in the country, and reporter deems that the explanation for this is the statement by the Chair of the BiH Council of Ministers **Adnan Terzic**: *"Well, I think that ruling structures are the structures that never had joint and clear, politically agreed direction."* Opposition parties agree with Terzic's statement and claim that ruling parties have fabricated this crisis in order to avoid situation in which politicians would have to justify the bad results of their work. *"The CoM comes up with these soup-operas... just to avoid to answer to the question why the project on the corridor Vc has not been moved forward for an inch, why the number of working places is low,"* commented SDP leader, **Zlatko Lagumdžija**. SDS claims that there was never a crisis in the CoM and that there was only a personal conflict between Terzic and **Mladen Ivanic**, BiH Minister of Foreign Affairs in technical mandate. SDS delegate **Momcilo Novakovic** said that SDS will accept all solutions proposed by PDP and Terzic together.

Hayat brings reactions to Terzic statement of ruling parties never having same direction

Hayat report by Denis Zaimovic – Hayat brings reactions to the abovementioned statement by **Adnan Terzic** that the ruling parties have never had a politically harmonized director, while the report himself notes that that the statement presents the truth about the real crises in BiH. **Momcilo Novakovic** from SDP and **Vinko Zoric** from HDZ believe that BiH needs a new composition of the Council of Ministers. Novakovic also says he agrees with Terzic but adds that politicians should take the responsibility over all their actions including Terzic, while Zoric says that BiH Prime Minister is to be blamed for current crisis. **Milorad Zivkovic** from PDP stated that Terzic was honest in his address before the BiH House of Representatives, however adding that if he was Terzic he would resign. **Beriz Belkic** from SBIH doesn't think that BIH needs a new CoM but more dedication from the side of its ministers. Terzic stated that he is that last person in the government that should resign. The decision will be most likely issued by the High Representatives, concludes the reporter.

<p>SB says most possible option is removal of both Ivanic and Terzic</p>	<p>Slobodna Bosna pg 16 ‘Most realistic option of the ruling nationalists is to remove both Terzic and Ivanic’ by <u>A.M.</u> – Article deals with the crisis in CoM, stating that the most possible option is to reshuffle the Council of Ministers which would also mean removal of both Mladen Ivanic and Adnan Terzic. In addition, SB says that this is one of the rare opportunities for leaders of all three ruling parties to solve the crisis and strengthen their positions at once. SB expects HDZ leader, Dragan Cavic, to even reconsider removing Barisa Colak; it notes that Dragan Cavic should also not object as PDP left the Govt in RS but keeping best positions in CoM; and as for SDA, SB reminds that Sulejman Tihic and Terzic are in conflict all the time.</p>
<p>VL: Terzic offered resignation three times during last meeting</p>	<p>Vecernji List, pg 2 ‘Who will go first – Terzic or Ashdown?’, by <u>Miso Relota</u> – Carries a report about what went on during the last meeting between the BiH Presidency, ruling parties and Chair of BiH CoM, Adnan Terzic, that was dedicated to the crisis in the BiH. According VL’s information, the talks were ‘lively’ and Chairman Terzic had even offered his resignation three times before it was decided that the BiH CoM should continue working.
