"To be precise, I mentioned the case of 13 people who had gone missing from Vranica building, and apart from prison camps, I mentioned cases in the wider Herzegovina area, 150 killed in Nevesinje, among whom there were 20 children", said Jahic. DL also says that del Ponte confirmed that the ICTY would complete its work in 2010, and it would only process cases related to senior officials.</p>

<p><b>PDHR Hays, ICTY's Del Ponte urge RS to arrest war crime suspects</b></p>	<p>Herceg Bosna Radio, BHTV, FTV, RTRS, Oslobođenje pg 7 'BiH cannot be held hostage by RS', Dnevni Avaz pg 4 'The international community cannot arrest war criminals in place of RS', Blic, pg. RS1 'Time for excuses has passed' by J. D. mentioned on cover 'Del Ponte: Time for arresting has come', ONASA – Principal Deputy High Representative Donald Hays and chief prosecutor of the Hague tribunal (International Criminal Tribunal for the former Yugoslavia – ICTY) Carla Del Ponte assessed Tuesday in Sarajevo that time has expired for excuses and that the Republika Srpska will be judged by the results achieved. OHR's spokesman Mario Brkic told reporters that Hays and Del Ponte discussed arresting of suspected for war crimes and BiH joining NATO's Partnership for Peace. Brkic said that only relevant institutions of BiH, in this case the RS, can show decisiveness of BiH to fulfill international duties towards the tribunal. "The international community cannot do in the name of RS," he added. "BiH cannot be held hostage by the failures of the RS. Those most responsible in the RS leadership will have to be held to account. Measures will need to be taken to ensure that the RS remains focused on meeting its responsibilities until they have detained those indicted by ICTY and handed them to The Hague," Brkic said. Dnevni List, front and pg 3 'CONFIRMED-Del Ponte interested in crimes at Vranica, Grabovica and Uborak', by <u>Nermin Bise</u> – before going to Bugojno and Mostar, del Ponte met with Principal Deputy High Representative, Donald Hays, and Senior Deputy High Representative, Bernard Fassier. Brkic added that sanctions at disposal of the High Representative are more or less known, stressing that he would not want to comment further what would happen if obligations towards the ICTY were not met. Herceg Bosna Radio, BHTV, Nezavisne Novine pg 3 'BiH cannot be a hostage of RS failure' mentioned on cover 'BiH cannot be a hostage of RS' carried similar Brkic's statement on RS obligations towards the ICTY from yesterday's press conference in Sarajevo. Nezavisne Novine also carries another, but somewhat shorter article on the same issue pg 2 'Institutions for cooperation with The Hague need to strengthen'</p>
<p><b>Kalinic on cooperation with ICTY</b></p>	<p>Nezavisne Novine pg 2 'Cooperation with the Tribunal is an international obligation' – Dragan Kalinic, RS Parliament Speaker, yesterday in Banja Luka expressed his expectation that RS will fully cooperate with The Hague Tribunal, because it is its international obligation. He did not want to make any comment on Monday talks between RS top leadership and Carla del Ponte, ICTY Chief Prosecutor.</p>
<p><b>Blagojevic on cooperation with ICTY</b></p>	<p>Nezavisne Novine pg 2 'RS leadership will be penalized over non-cooperation with The Hague' – Mirko Blagojevic, President of the Executive Board of the SRS "Dr. Vojislav Seselj", is of the view that the RS leadership, that met with Carla del Ponte, ICTY Chief Prosecutor, on Monday would soon face sanctions over the RS failure to cooperate with The Hague. Blagojevic said: "Del Ponte has shaken the leadership of the RS, which is ready to act upon all of her demands and even to go a step further, which is proved by Visegrad action."</p>

<p><b>Spiric says BiH will be admitted into PfP in June if RS government arrests Karadzic</b></p>	<p>Nezavisne Novine pg 9 'Three Dragans against Radovan' – Nikola Spiric, member of the SNSD Chair Board, in an interview given to SNSD newspaper "Odgovor", said that if Dragan Kalinic, Dragan Cavic and Dragan Mikerevic arrested Radovan Karadzic, BiH would be admitted into PfP. Spiric also said that the representatives of the international community might be lenient towards this tripartite alliance and say they are not able of performing that. On this Spiric added: "In this case, they would give them (Cavic, Kalinic and Mikerevic) the names of some other people, whom they will have to detain or murder, as they have been doing lately."</p> <p>He is convinced BiH would be admitted into PfP in June if these conditions were met. He is of the view that: "It is felt that the current authority has a strong will to arrest their ideological leaders. But I am not convinced they would do it, because it seems that the fear is a dominant category and they cannot do it."</p> <p>He is of the opinion that the arrest of ideological leaders would represent a historical nonsense, although it is not a rare case that a child murders his father. On this he adds: "They are not mature politicians, but patricides."</p>
<p><b>NN editorial on BiH admission into PfP</b></p>	<p>Nezavisne Novine op-ed pg 7 'Consequences' by <u>Josip Blazevic</u> – The author is critical of the most recent statement Mladen Ivanic, BiH Foreign Minister gave to BHTV 1 News (mentioned above). <u>Blazevic</u> stresses BiH membership into PfP is of extreme importance for the state of BiH, because, "simply put, it offers the best guarantees for permanent peace and stability in the BiH".</p>

Covic says: "The six Croat officials (NB: referring to Jadranko Prlic and rest) are the last group of the BiH Croats who have gone to trials at The Hague, everything else is deception and abuse of public. I strongly believe in that". However, Covic did not want to speculate about how will be processed by the BiH Court's department in charge of war crimes.</p>

The article says that OSA Director Amir Dzuvo does not have any experience in this area, while US Ambassador Clifford Bond openly opposed election of Risto Zaric to the position of the OSA Deputy Director since Zaric has been suspected of giving protection to war criminal Radovan Karadzic. SD says that in spite of these accusations the OHR gave consent for Zaric's appointment.</p>

Packett, SDA**

Oslobodjenje pg 3, mentioned on cover 'SDA helps Croatization of Stolac', FENA – The Stolac Youth Forum sent an open letter to SFOR Commander Gen Virgil Packett.

"We voice our opposition to the activities of certain parts of SFOR. On several occasions we witnesses unprincipled behaviour by SFOR units stationed in Stolac. We think that even a doubt that certain SFOR units are protecting and guarding illegally erected symbols of crime against Stolac and its people should be a reason enough for your intervention. We expect you to urgently help Stolac citizens in normally exercising their human rights and establishing the rule of law by clearly distancing yourself from what was created by crime and is being maintained by its consequences", stated the letter. The Stolac Youth Forum has also sent an open letter to the SDA Board in Stolac. "Citizens of Stolac, who have since 1993 suffered various forms of direct and indirect crimes, violations of the human rights and the non-existence of rule of law, have given the majority of their votes to SDA at the last elections. By giving their trust they have made elected representatives in the municipal authorities responsible for removing the consequences of crimes as well as the establishment of human rights and the rule of law in Stolac", the Forum stated. The Forum added that SDA representatives have done nothing to change this situation and that they have legitimized acts of usurpation of rights by their passivity.

Oslobodjenje pg 3 'It would have been better for them to write to HDZ' – Kemal Isakovic, the SDA Stolac President denied allegations from the Stolac Youth Forum letter saying that the letter should have actually been addressed to the Stolac HDZ.

According to Brkic, Stolac deserves better from its leaders and political parties stressing that if SDA and HDZ wanted to promote the policy of tolerance and European integration, they would have to show it in Stolac.</p>

RS2 'Bureaucrats are hindering sales of petroleum' <u>by Nedeljka Breberina</u></p> <p>– The entity Prime Ministers have recently reached an agreement in Mrakovic, in accordance with which they should have found temporary solutions and abolish double taxation of high tariff goods in inter-entity trades. The deadline has passed, yet old Books of Procedures are still in force in RS and the Federation of BiH. 'They have been assuring us that the agreement will be changed within a month, but this still has not been realized although a month has passed. The culprits for this are the entity governments, CoM and High Representative, who are replacing and abolishing everyone and everything in this state, yet they cannot abolish a common regulation', the Associate of Serb Brod Refinery Executive Director, Dusko Bogdanovic, has stated. RS Minister of Trades and Tourism, Boris Gaspar, has stated that it is not enough just to abolish the existing regulations in order to avoid double taxation, but it was necessary to change the Law on Taxes and to establish a single account of ITA. 'RS is interested in abolishing administrative barriers as soon as possible, but it seems as if the Federation is obstructing this', Gaspar stated.</p>

their demands to  
be met**

RS as of 1<sup>st</sup> July."

As a reminder – RS Government last year promised it would pay out outstanding obligations and pay out four outstanding pensions from 2000 until 1<sup>st</sup> July this year.

Also, Rakulj said that: "It is not excluded that the pensioners would go to Sarajevo in July and protest in front of the Office of Paddy Ashdown. He deprives us of our standard. Ashdown is consciously preventing the resolution of our problem."

**Workers of  
'Vitezit' Company  
prevent export of  
products to  
Croatia**

Vecernji List, page 5 'Vitezit blocked by explosive', mentioned on front, by Srecko Stipkovic – Employees of the Vitez-based 'Vitezit' Company parked a truck loaded with explosive at the entrance to the company yesterday, preventing the export of armament and military equipment that the FBiH Ministry of Defence arranged at an international tender to the Croatia-based 'Scoud' Company. Apparently, the deal is worth 2 million KMs. The employees say they will not allow any kind of deal until the FBiH MoD honors its obligations towards the company, since the company cannot afford to pay electricity bills and the employees' wages. Manager of 'Vitezit', Marijan Skopljak, briefly explains the background: "We have for a long time been claiming from the FBiH MoD 221.897 KMs, and we reached an agreement with Minister Nikolic (Miroslav, FBiH Defence Minister) about it, and there's minutes about it. However, the debt was never verified by the FBiH Government. We do not know why . On the other hand, we want that our debts to Elektroprivreda of Herceg Bosna be re-programmed to 120 installments. The Steering Board of Elektroprivreda does not accept that. Moreover, the Government does not give the 'green light' to that either, and at the same session it approves the postponement of payment of debts for Elektrobosna of Jajce that owes 20 million KMs. One has to say that the 'Vitezit' is the only military industry that is in the Croats' hands. We cannot work today because our electricity is disconnected".

<p><b>On project 'Bjelasnica-Igman'</b></p>	<p>Dnevni List pg 10 'Reconstruction of Olympic facilities in FBiH only' <u>not signed</u> says that 'Bosnalijek' has bought recently a few hotels in Bjelasnica and Igman. DL also says that the project 'Bjelasnica-Igman' had been made before and according to this project reconstruction of Olympic sports grounds and hotels in the Federation of BiH was planned, while sports grounds and tourist facilities on Jahorina mountain that belongs to the RS were left out. According to DL, apart from 'Bosnalijek' other investors in this project are unknown, however, the one can suppose that the investors are coming from the closest political and economic circles of the authority in Sarajevo and the best proof for this claim is the fact that the state institutions are involved in the promotion of this project.</p>
