<p>HR appoints Peter Nicholl to position of Chair of ITA's Steering Board</p>	<p>PINK by <u>Aida Hasanbegovic</u> – The High Representative, Christian Schwarz-Schilling, appointed former Governor of the BiH Central Bank, Peter Nicholl, to the position of the Chair of the Indirect Taxation Administration [ITA] Steering Board after mandate of now former ITA SB Chair, Joly Dixon, expired. The HR refused to relate any political connotations to Nicholl's appointment: <i>"I feel that Peter Nicholl is a person that without any doubt meets all necessary requirements to overtake the position of ITA's SB Chair."</i></p> <p>Hayat – Reminding the Dixon's mandate expired last week, the HR said: <i>"As all of you already know, I prefer to find local solutions whenever possible, or at least to work towards a transition to local ownership. This is the reason why I have asked... Nicholl to take over as ITA Chairman until the end of the year. He is both citizen of New Zealand and BiH."</i> BHT1</p> <p>– Even though Dixon was under the RS Prime Minister Milorad Dodik's pressure [namely, Dodik filed charges against Dixon for damaging the RS for 40 millions KM], HR claims that the replacement has no political background: <i>"All of us are able to see that the RS receives more money due to good VAT implementation... Activities undertaken against Dixon are nonsense."</i></p> <p>FTV – HR finds lawsuit filed by the RS against Dixon nonsense, saying that, being a politically motivated attack, it had to stop. RTRS – Asked whether a decision to appoint Nicholl means Dodik was right to demand dismissal of Dixon, HR answered that he is in favour of impartial experts making decisions that would be fair for all. HR also stated that Dixon's work was very successful. Dnevni List, pg 2, mentioned on front 'Peter Nicholl replaces Dixon', by <u>D. P. Mandic</u>, Nezavisne Novine cover pg splash 'Peter Nicholl replaced Joly Dixon', pg 3 'Peter Nicholl as new Chair' by <u>R.Cengic</u>, EuroBlic pg RS7 'Nicholl instead of Dixon' by <u>D. <p>CoM Chair Terzic on ITA SB Chair: 'I am terribly disappointed with Schwarz-Schilling's move'</p>	<p>Dnevni Avaz pg 2 'I am terribly disappointed with Schwarz-Schilling's move' <u>by S.N.</u>— Commenting the decision of the HR Christian Schwarz-Schilling to appoint former Governor of BiH Central Bank Peter Nicholl to the position of the ITA Steering Board Chair, the Chair of the BiH Council of Ministers Adnan Terzic said he is <i>"terribly disappointed with the way the HR and the IC appointed Peter Nicholl."</i> Emphasizing he respects Nicholl's work, Terzic nevertheless commented: <i>"The HR said he would not work as his predecessor Paddy Ashdown. When pressure needs to be made because of police reform and/or other reform, he says he would not deal with that and that BiH authorities have to take the responsibility. And then he makes a move that Ashdown never had."</i> Terzic reiterates that CoM has extended the mandate of the now outgoing ITA Steering Board Chair, Joly Dixon, for another year, adding that procedure was carried out by OHR, because the Law says a foreigner has to be on that function for five years <i>"Schwarz-Schilling violated that Law, because Nicholl is BiH citizen,"</i> said Terzic. Stressing this decision was carried out <i>"without principles"</i>, CoM Chair says: <i>"It is obvious with whom the HR has consulted with; with RS PM Milorad Dodik. This is a compromise the IC has made with Dodik. By doing so it encouraged him to continue with destroying of the system that was established so far."</i> Stressing he is certain this decision was in contradiction with the opinion of the European Commission, Terzic said: <i>"That is very bad for this country. Its future is in good cooperation with the EC, not the OHR."</i></p> <p>Oslobodjenje cover splash, pgs 4-5 'OHR chose Peter Nicholl for new Chair of [ITA] Steering Board' <u>by A.Omeragic</u>, inset 'Schilling gave in under Dodik's pressure' <u>by Az.K.</u>— Terzic stressed that Schwarz-Schilling <i>"has gave in under pressure of RS PM Dodik, especially in the moment when RS PM is demolishing the system of single account in all ways"</i>. Nezavisne Novine cover pg splash 'Peter Nicholl replaced Joly Dixon', pg 3 'Peter Nicholl as new Chair' inset 'Adnan Terzic disappointed' – carried similar statements.</p>

<p>VL: By making decision, HR makes concession to RS PM Dodik</p>	<p>Vecernji List, pg 2 'P. Nicholl trusted with control of taxation', by <u>D. Ja.</u> – Reporting on the appointment, VL comments that the HR Christian Schwarz Schilling's move to appoint Peter Nicholl could be taken as a concession to the RS PM Milorad Dodik, since he had been insisting for months that Dixon should leave. VL also says that by appointing Nicholl, the HR is making his contribution towards reaching final agreement on way of allocation of public revenues and unblocking of single account.</p>
<p>HR urges Fiscal Council and authorities on all level to reach agreement on allocation of public revenues</p>	<p>Hayat by <u>Lejla Gutlic</u> – The High Representative to Christian Schwarz-Schilling has sent a letter to BIH Fiscal Council, all three Prime Ministers and three Finance Ministers urging them to reach an agreement on both distribution of public revenues in 2006 and new methodology to be applied as of January 2007. The issue of allocating public revenues gathered through taxes at the single ITA account has been pending for last six months. HR stated: <i>"Fiscal Council should come up with a way to solve this issue, something I haven't seen so far. The RS Prime Minister Milorad Dodik hasn't attended the session of Fiscal Council on Monday, which was the reason to criticize the work of the Council as a body that failed to satisfy the needs of its country."</i> Presenter noted that following the failure of ITA Steering Board to reach the agreement on the coefficients for distribution of revenues from the Single Account, HR only verbally made pressure on the Fiscal Council during the meeting in the OHR on Wednesday. FTV by <u>Azra Pasukan</u> – Allocation of VAT revenues presents a serious problem which has to be solved by professionals in impartial manner, said HR added: <i>"The Fiscal Council has to determine the way in which the issue is going to be solved...the Council failed to do its job and it deserves to be criticized."</i> PINK, BHT1 – also covered.</p>

<p>New ITA SB Chair Nicholl on blockade of allocation of ITA single account</p>	<p>BHT1 by <u>Sanita Lisica</u> – Commenting blockade of allocation of Indirect Taxation Administration [ITA] single account, new ITA Steering Board Chair Peter Nicholl deems straightforward solution is impossible adding that law is something that can be changed: <i>“You have to operate within the law, but the law has to be changed if the experience proves that it is better to do that.”</i> Hayat by <u>Lejla Gutlic</u> – <i>“I still do not have any stands regarding the solution of the current situation. I believe that one correct formula doesn’t exist but instead there are several different options that would help in reaching the solution fair for all involved sides.”</i> <u>Gutlic</u> noted that while no signs for possible solution are given, some of BiH municipalities (like Bosansko Grahovo and Tuzla) are facing financial collapse because of the current situation. FTV by <u>Azra Pasukan</u> – The BiH ITA SB expects the Fiscal Council to decide on coefficients; due to the fact that no agreement has been reached, the account has been blocked. The RS representatives keep insisting on fixed coefficient, which opposes the law, while Nicholl says that any law could be changed if necessary. <i>“The law should not be violated...but laws can be changed if necessary. There are several different options but there is no final solution which would suit everyone”</i>, said Nicholl who would perform this duty in the next 7 months.</p>

<p>Entity ministers to preserve their stances regarding allocation from ITA single account</p>	<p>BHT1 by <u>Sanita Lisica</u> – Entity Finance Ministers expect the issue of allocation to finally be solved now as the new ITA SB Chair Peter Nicholl was appointed, stressing that they are going to insist on their stances. <i>“We are still assured that the existing system is unreliable...we are going to insist on fixed coefficients”</i>, said the RS Finance Minister, Aleksandar Dzombic. <i>“FBiH losses nothing by blockade in the single account; there is no allocation and the money that should be allocated waits for decision on coefficients. FBiH would face losses in terms of accepting proposed fixed coefficients”</i>, said the FBiH Finance Minister, Dragan Vrankic. Nezavisne Novine cover pg splash ‘Peter Nicholl replaced Joly Dixon’, pg 3 ‘Peter Nicholl as new Chair’ inset ‘Dzombic expects fast solution on revenues distribution’ – Dzombic noted RS will keep pointing at unreliability of the existing system and disability to control and get certain coefficients that do not reflect final consumption. RTRS – also carries Dzombic.</p>
<p>BiH Audit Office for state institutions shows ITA SB divided money from single account beyond law</p>	<p>Nezavisne Novine pg 2, announced on cover ‘Money from VAT was divided beyond Law’ by <u>N.Krsman</u> – Daily reports referring to Report (of BiH Office for Audit at State Institutions) on dealings of the ITA SB in 2005, saying that the money from the VAT, until 31 May 2006, was divided according fixed coefficients, beyond legal regulations., although no consensus has been reached on it at ITA SB. Auditors gave recommendations to ITA SB in order to avoid brining efficient functioning of money distribution into question.</p>

<p>RS NA adopts special privatisation program for RS Telecom</p>	<p>RTRS by <u>Momcilo Ostojic</u> – The RS National Assembly adopted special privatisation program for the RS Telecom. RS Minister of Traffic and Communications, Nedeljko Cubrilovic, stated that all offers worth less than 400 million euros would be unacceptable. Cubrilovic also stated the RS Government would propose an expenditure plan gained by this privatisation. Reporter comments this plan was what of the biggest interest to the RSNA deputies as well as setting of lowest RS Telecom value. Radivoje Trbic from DEPOS feels money to be earned should be used to service internal debt, reform of pension-disability insurance fund and development of the RS economy. RSNA adopted proposal made by SDS deputy Borislav Bojic who said expenditure plan should be submitted to the Assembly 30 days after sale of the operator. The SRS Milanko Mihaljica opposes the sale feeling it's aim is to cover up for the years of crimes committed in the company. Tarik Sadovic from SDA said a decision on sale of RS Telecom was made in certain centres of political power thus making the RS NA decision a pure formality. PINK – Privatisation program provides for privatisation of 65% of state capital in RS Telecom through international tender with variable conditions. RSNA deputies failed to set lowest sale price. Reporter explains that if such price was determined and if one company proposes a lower one it could cancel tender thus delaying entire procedure to even further. The RS Finance Minister Aleksandar Dzombic stressed that the Government can always turn down an offer if it considers it too low. Nezavisne Novine pg 5, announced on cover 'Decision on sale of "Telekom Srpske" adopted' by <u>V.Popovic</u> – 45 MP's voted pro, while 13 abstained from voting. BHT1, EuroBlic pg RS7 'The Government was silent about minimum price' by <u>T. Veselinovic</u>, Dnevni Avaz pg 10 'RS NA would decide on spending of the profits' by <u>N.D.</u>– also covered.</p>

RTRS – <i>"Deputies had to have more responsibility towards those who elected them"</i>, says Cavic. On Tuesday in Banja Luka, the RS National Assembly adopted the Law on rights and duties of MPs in the RSNA and RS Council of Peoples that enables additional benefits in terms of early retirement and salaries. <p>RS PM Dodik: RS Govt will propose changes to Law on rights/duties of MPs; RS NA Speaker: status of delegates needs to be regulated</p>	<p>Nezavisne Novine pg 5 'Cavic says he will not sign Law' by <u>P.Klincov</u> – Reacting upon adoption of RS NA Law on rights of MP's and delegates in RS, Milorad Dodik, RS Premier, has stated RS Government will propose to the Council of Peoples not to accept the disputable Law, noting RS Government will propose changes and addenda to the Law, since Law in the form it is <i>"is useless and inappropriate"</i>. Daily observes that in case RS President fails to sign Decree on pronunciation of Law, it is returned to RS NA, which is to vote on it again. If MP's adopted the Law again, it would be automatically put into effect. Igor Radojicic, RS NA Speaker, has stated status of delegates needs to be regulated through a single Law instead of existing number of decisions. DNS' Marko Pavic has stated DNS and he personally opposed to the enactment of this Law.</p>

<p>FBiH HoR postpones vote on FBiH Draft Law on Income Tax</p>	<p>BHT1 – The FBiH House of Representatives has postponed vote on FBiH Draft Law on Income Tax. The HoR also postponed vote on proposal Law on lowest net hourly wages until further notice. At the session held on Tuesday, FBiH House of Representatives discussed the draft Law on Income Tax, whereas the voting was left for Wednesday.</p> <p>The proposed Law was meant to replace existing Law on salary taxes and a series of similar cantonal laws, under which all citizens would be obliged to register their income and pay 10% or 20% taxes.</p> <p>Hayat, FTV, Nezavisne Novine pg 5 ‘On income tax at next session’ by <u>R.C.</u>, Oslobodjenje pg 3 ‘Salary to apprentices shameful KM276’ by <u>A.T.</u>, Dnevni Avbaz pg ‘Minister Vrankic offered for the income tax not to be paid by 100,000 employees’ by <u>A.Hadziarapovic</u> – also covered.</p>

<p>VL writes Toby Robinson offered Herc. Bank clients to either withdraw money now or wait for gradual payment from future owners</p>	<p>Vecernji List cover splash 'Bank should be sold to Varazdin or liquidated' page 5 'Depositors decide on Hercegovacka bank' by <u>Zoran Kresic</u> – Articles reads that Hercegovacka Bank Provisional Administrator Toby Robinson has invited bank depositors and saving account holders to choose between three possibilities of getting back their deposits. (Daily reminds that Hercegovacka Bank stopped its operation in April 2001 following an intervention by IC intended to stop the project of Croat self-rule). The worst possibility, according to VL, would be for the bank clients to decide to immediately withdraw their deposits in which case they would be able to get a very small portion of their money and the bank would have to be liquidated. Two other options would involve gradual payment of deposits over periods of time by potential future owners, Varazdin's (Croatia) broker house Validus and its bank Vaba. The final decision will require votes of 75% of several thousand bank clients, some of which are FBiH authorities and numerous companies, who will have to decide between the offered options by 19 July 2006.</p>

<p>GS raises the issue of whether crimes committed against Serbs in 1992-1993 in Srebrenica area would be ever tried</p>	<p>Glas Srpske cover pg splash 'Unbreakable wall of silence' by <u>D.Majstorovic</u> – Daily raises the issue of whether any of 49 suspects for the crimes against Serb population in the Srebrenica villages (Ratkovici, Medje, Greben, Zalazje, Krnjici, Hranca) in 1992 and 1993 would be tried, reminding that two-and-half years ago, Bijeljina District Prosecution forwarded a file against 49 Srebrenica Bosniaks, including current Srebrenica Mayor, Abdurahman Malkic, accusing them of crimes. However, ICTY returned the file with explanation RUole of Road Department, as first filter in case processing, was closed. Daily further says it could not receive any confirmation from BiH Prosecution whether investigation is ongoing, further referring to its source at Prosecution saying that owing to sensitive nature of this case, its processing has been prolonged for such a long time.</p>

Defence and police reforms

<p>BiH Presidency adopts decision on size, structure and deployment of BiH Armed Forces</p>	<p>FTV, BHT1 – The BiH Presidency has passed proposed decision on the future organization of BiH Armed Forces, i.e. on size, structure and deployment of troops. Decision should have been passed by July 1, however after this deadline has expired, the HR Christian Schwarz-Schilling warned the Presidency that BiH it was already behind implementation of crucial defence reforms. RTRS – The HR warned BiH Presidency's failure to meet its legally set deadline for approving proposed decision on size, structure and stationing of the Armed Forces of BiH. BiH Presidency was in delay due to the Croat member of BiH Presidency, Ivo Miro Jovic, who demanded BiH Armed Forces to contain 25% of Croats, which is not in accordance with BiH Defence Law under which ethnic balance would be in line with 1991 population census. Oslobodjenje pg 5 'BiH presidency decided on armed forces structure' by <u>A.P.</u> – Daily carries that even after the session, BiH presidency members refused to give more details about the decision and they left it up to BiH Defence Minister Nikola Radovanovic to publicly present the structure on Thursday. Dnevni Avaz pg 2 'Decision on Armed Forces passed' by <u>Onasa</u> – DA reminds the OHR has warned the Presidency about this law. Nezavisne Novine pg 3 'Decision on structure of Armed Forces adopted' by <u>D.Mu.</u> – also reported. <p>NATO's Gregorian: NATO will not take sanctions against BiH because of the delay, but BiH is two years in delay</p>	<p>Oslobodjenje pg 5 'BiH two years in delay already', mentioned on cover by <u>A.P</u>– NATO HQ in Sarajevo denied media writings that NATO could take sanctions against BiH authorities, because of delay in passing of the Decision on size, structure and deployment of BiH Armed Forces, which BiH Presidency should had done by 1 July. NATO HQ's Advisor Raffi Gregorian told daily that BiH is already two years in delay in the process of planning and reviewing for Partnership for Peace, with which the major evaluation of defence system is made, in light of future development of defence system within PfP. <i>"Maybe few days of delay doesn't seem much to someone...but BiH Law on Defence is very clear and deadline for passing of the decisions is known for a year..."</i> said Gregorian.</p>

<p>PDR resumes its work, but according to SB Chair decision would not be made before October elections</p>	<p>RTRS by <u>Vesna Stakic</u> – The Police Reform Directorate Steering Board held a session on Wednesday in Sarajevo. RS Police Director Uros Pena participated in the work of the Steering Board as an observer since decisions are being made by majority of votes, which is a process unacceptable for the RS institutions. Other members of the Board discussed the model of police structure at the state level as well as replacement for current Chair of PRD Steering Board Vinko Dumancic since his mandate expires on 26 July. Reporter comments this position should be taken by one of 3 Serb members of the Board. She adds that Pena cannot accept this position since he is an observer whilst SIPA Director Sredoje Novic already refused due to personal reasons, thus leaving only the Chief of Brcko District Police Milenko Milicevic. Reporter also says that Dumancic is scheduled to report on the work of PRD Steering Board so far to Council of Ministers and adds that its efficiency will be questionable since RS representatives are not participating in the decision making process. Reporter concludes there will be no sessions of PRD Steering Board in August thus bringing the police restructuring deadline of 30 September in question. Dnevni Avaz pg 2 ‘Election of Chair on 26 July?’ by <u>Srna</u> – Dumancic told agency PRD SB discussed highest level of future police structure [Minister, Independent Board, Complaints Office, Inspectorate]. Oslobodjenje pg 6 ‘Police reform will not be agreed by elections’ by <u>Az.Kalamujic</u> – Dumancic stated on Wednesday that organization model and police structure would not be agreed by October elections. Other political issues

<p>BiH CoM session: two new ministries in CoM, but not yet known which ones</p>	<p>Hayat by Snjezana Mulic – The BiH Council of Ministers held session on Wednesday [“finally”, as Hayat’s reporter ironically noted] discussing 41 agenda items. The amendment to the law on BiH Council of Ministers has been determined and it will be sent into parliamentary procedure after the issue of appointing the BiH Deputy Minister of Defence and establishment of additional two state ministries are solved. BiH Minister of Civil Affairs Safet Halilovic advocated for establishment of state Ministries of Health and Education instead of Agriculture and Technology explaining that <i>“BIH has received 11 million KM to fight AIDS in 2006 from the Global Fund. No BIH Ministry, except Ministry of Foreign Affairs, has budget of 11 million KM”</i>. BiH CoM has failed to appoint new State Attorneys to replace Monika Mijic and Zikreta Ibrahimovic who resigned from the Office [reporter was very ironic noting fact that CoM failed to react sooner despite being informed on time] At the session, BiH CoM appointed the working group to analyse the request of Administrative Commission of BiH House of Representatives on the financial effects on BiH Institutions regarding the proposed law on rights and duties of MPs. <u>Mulic</u> interpreted this request by saying that MPs want to know how much they will “take away” from citizens for their pensions before they actually adopt the proposed law.</p> <p>Oslobodjenje pg 2 ‘Two new ministries’ by M.K.S. – Halilovic stated that the proposal law will not be sent into Parliament procedure until the working group supervised by BiH Ministry of Justice submits all relevant changes to the law on CoM. Dnevni Avaz pg 8 ‘Preparations for introduction of two new ministries’ by <u>Fena</u> – With regard to Halilovic stressed that the BiH CoM at its previous session established a taskforce, comprising Ministers Mladen Ivanic [Foreign], Dragan Doko [Economy], Slobodan Kovac [Justice] and Halilovic, which was in charge of defining the affairs that the two new ministries would be dealing with. <p>RS President Cavic criticizes SDA'a Hafizovic for welcoming ex Srebrenica Commander Oric, called him "common fool" and warned he better not come to BL</p>	<p>Dnevni Avaz pg 4 'Cavic: It is better for Hafizovic not to come to Banja Luka' by <u>Fena</u>– RS President Dragan Cavic on Wednesday sharply criticized Deputy Speaker of the RS National Assembly, Sefket Hafizovic, calling him <i>"a common fool"</i>. Commenting on Hafizovic attendance at the welcoming of Naser Oric [former BiH Army Commander from Srebrenica who stood trial before the ICTY and was found guilty and sentenced to two years for crimes over Serbs, but was released immediately] and Hafizovic's statement that Oric should also come to Banja Luka, Cavic told the press that <i>"Hafizovic is a common fool with a wish of bringing a war criminal to Banja Luka,"</i> said Cavic adding that bringing Oric, <i>"awarded for war crimes"</i>, to BL would cause a reaction of thousands of people who would lynch him. Cavic emphasized that <i>"it is also better for Hafizovic and his think-alike not to come here"</i>. Hayat, Nezavisne Novine pg 9 'Cavic: Hafizovic is a common fool'; Hafizovic: Cavic is a primitive' by <u>P.K.</u>, Oslobodjenje pg 3 'Hafizovic is a common fool' by <u>Onasa</u> – also reported.</p>
<p>RSNA Dep. Speaker Hafizovic: This is not 1995!, RS President is primitive</p>	<p>Dnevni Avaz pg 4 'This is not a year 1995 and times of threats have passed' by <u>A.Hadzic</u>- The RSNA Deputy Speaker Sefket Hafizovic reacted to the statement of the RS President Dragan Cavic who called him <i>"a common fool"</i> by saying Cavic is <i>"a common primitive"</i>. <i>"I have expected many things from somebody who performs a function of the RS President, but never to be refer to another public person with so much primitivism,"</i> said Hafizovic.He ironically reiterated that he can understand Cavic, because he now, in this pre-election times, has to go out before the people and ask them to support his party <i>"which was lying for all this time that Naser Oric has slaughtered and killed all that was walking and had has a Serb name"</i>. Stressing that RS is not Cavic's <i>"family heritage"</i>, Hafizovic said: <i>"The times of threats have passed. This is not the 1995..."</i> Hayat, Nezavisne Novine pg 9 'Cavic: Hafizovic is a common fool'; Hafizovic: Cavic is a primitive' by <u>P.K.</u>, Oslobodjenje pg 2 'Cavic is a common primitive' <u>not signed</u>– also reported.</p>

<p>DA: statement of RS President is no surprise after RS PM Dodik took absolute power in RS</p>	<p>Dnevni Avaz pg 3 'Cavic's appealing of the dark past' op-ed by <u>Edina sarac</u>– Commenting on the Wednesday's dispute between RS President Dragan Cavic and RSNA Deputy Speaker Sefket Hafizovic, <u>Sarac</u> comments how unusual was the language Cavic used, since he was always "<i>subtle</i>" in expressing nationalism "<i>in order not to be related to the founder of his party, war criminals Radovan Karadzic</i>". Emphasizing that Cavic's statements could not be justified if one knows that war crimes' indictees after surrendering to the ICTY were welcomed as patriots in the RS. <u>Sarac</u> stresses a reason for such behaviour could be in the fact that RS Prime Minister Milorad Dodik has "<i>imposed himself as absolute ruler of smaller entity</i>". Emphasising that it was expected for Cavic to fight in other ways and not to pull out "<i>ghosts of the dark past</i>", <u>Sarac</u> concludes that BiH citizens want electoral victory of people that would offer them better standard and European salaries.</p>
<p>NN op-ed: politicians prefer to insult each other rather than making everyday life of BiH citizens easier</p>	<p>Nezavisne Novine op-ed pg 7 'Dictionary of insults' by <u>Predrag Klincov</u>- The author comments on the recent harsh words that Dragan Cavic and Sefket Hafizovic addressed to each other (when Cavic called Hafizovic 'fool' and Hafizovic responded by calling Cavic 'a primitive'), saying this shows that politicians in BiH stop at nothing in order to get support of voters. According to author, it is obvious that politicians in BiH prefer to compete with colleagues in insulting each other instead of making everyday life of common people and citizens easier.</p>

<p>Oslobodjenje's commentary insists RS is created by genocide, says false reconciliation created in BiH</p>	<p>Oslobodjenje, pg 9 'Sickness of false reconciliation', by <u>Gojko Beric</u> – in his lengthy commentary, <u>Beric</u> opposes to comments by senior officials coming from the RS, namely by RS PM Dodik, RS President Cavic and BiH Foreign Minister Ivanic, who all claim that the RS is not a creation based on genocide, by insisting it definitely is. In this context, <u>Beric</u> notes there are efforts to deny the said crimes, efforts that are being made by the Serbs and "<i>our international sponsors</i>", in order to achieve an alleged peace and reconciliation.
