HR Ashdown  
warns it would  
be bad news if  
he had to  
appoint SBS  
director

RHB, Pink, FTV, RTRS, Oslobođenje, pg 3 'High Representative announces his solution', by Fena, **Dnevni List**, pg 2 'Appointments for State Border Service announced', by NINA, **Vecernji List**, pg 8 'Concerns with appointment of SBS director', by f, **Nezavisne Novine**, pg 3 'Ashdown concerned with lack of appointment of SBS director', not signed – The High Representative, **Paddy Ashdown**, on Thursday expressed his concern about the fact that no director has yet been appointed for SBS. As a key institution safeguarding the security of the state, this state of affairs cannot be left unresolved for long, the HR said. *"It would be very bad news if I have to once again make this appointment. But no one should doubt my decisiveness. Nor should they be in any doubt that if I am required to make this appointment, then my decision will be based on merit and professional criteria only, not ethnicity,"* he said. The HR also emphasized that those such as the director of SIPA who have already been legally appointed cannot be removed. *"There cannot be any meddling in this. It is not up to the Presidency or anyone else to illegally remove someone who has been installed,"* he said. **Hayat** – Revolted and angry because director of SBS still hasn't been appointed, HR Ashdown almost openly said that his word would be last.

**Dnevni Avaz**, front pg splash and pg 3 'One should not have doubts in my decisiveness', by S. Numanovic – Apart from carrying the OHR statement from above, Avaz learns that either **Vahid Alagic** or **Vinko Dumancic** could be appointed the SBS director by decision of the HR. According to Avaz's information, HR Ashdown's statement is also a warning to BiH authorities, foremost to the BiH Presidency, to take action. Inset entitled 'Terzic: Appoint leaderships until end of August' – says that according to Avaz's information, the Chairman of BiH Council of Ministers, **Adnan Terzic**, has sent the BiH Presidency a letter appealing to them to reach an agreement on appointments to leading posts in the SIPA and SBS. Terzic 'signaled' to the Presidency that the whole procedure must be completed by end of August, otherwise the HR will be appointing leaders of these two agencies.

<p><b>BiH to lose equipment for detection of radioactive material?</b></p>	<p><b>Hayat</b> – <u>By Zumra Arnautovic</u>– Equipment for detection of radioactive material and prevention of its illegal transport was donated, three years ago, to BiH by International Agency for Atomic Energy and EU, but untill day this equipment was never installed at border crossings. Advisor in BiH Ministry of Civil Affairs, <b>Srdjan Arnaut</b>, stated that this equipment would provide control over passing the border. Information Office of Indirect Taxation Agency and their representative <b>Andja Cosic</b> stated that opening of border-passing Izacic was delayed due to property dispute, stressing that ITA has just started to function, which was one of additional difficulties. Ministry of Civil Affairs as Arnaut stressed informed that additional financial means are necessary for installing of this equipment, being that BiH has to order strict location, invests in instalment of equipment and it has to educate people who will operate this equipment. Cosic explained that this equipment is stored at Izacic and that there is no reason why it shouldn't be installed soon. At the end Reporter stressed that further delays could cost BiH this equipment, because it could be directed to another user.</p>
<p><b>HR Ashdown on police reform, cooperation with ICTY</b></p>	<p><b>RHB, Hayat, RTRS, Dnevni Avaz</b>, pg 12 'Bukejlovic, RS Government and SDS responsible for police reform', by <u>Onasa</u> – HR <b>Paddy Ashdown</b> warned RS authorities to express readiness for police reform and cooperation with ICTY by end of August or RS PM <b>Pero Bukejlovic</b> will be held responsible as well as RS Government and SDS. HR stated that it was agreed in Banja Luka that negotiations on police reform will be continued on 15<sup>th</sup> of August so draft agreement could be adopted in parliament procedure by 15<sup>th</sup> of September. (excerpts from HR's interview from <b>Nezavisne Novine</b>, see OHR Media Round-up, Aug 5, 2005)</p>

<p><b>Oslobodjenje</b> <b>op-ed:</b> <b>Ashdown's empty</b> <b>threats</b> <b>resulted in no</b> <b>results</b></p>	<p><b>Oslobodjenje</b>, pg 9 'Last Ashdown's threat?', by <u>Mirko Sagolj</u> – Commenting on the HR <b>Paddy Ashdown's</b> statement given in the interview to <b>Nezavisne Novine</b> regarding responsibility of the RS PM, <b>Pero Bukejlovic</b>, the RS Government and SDS (see above), <u>Sagolj</u> says that firstly, Ashdown failed to mention "<i>his favourite</i>" <b>Mladen Ivanic</b> and his party as possible co-culprits, and secondly, that threats that Ashdown has been sending in last three and half years resulted in nothing whatsoever. As for the future of police reform, <u>Sagolj</u> notes that even HR Ashdown does not know would be signing a possible agreement since the parties had previously reached an agreement, but the "<i>old deceivers from the Dayton-like RS</i>" managed to avoid or postpone the police reform by insisting that the police reform should be signed by the entity and state authorities.</p>
<p><b>BiH CoM on</b> <b>defence laws</b></p>	<p><b>Pink, Hayat, FTV, RTRS, Oslobodjenje</b>, pgs 4-5 'Inter-entity and constitutional harmonization of defence law', by <u>Fena</u>, <b>Dnevni Avaz</b>, pg 2 'Law on defence and service in armed forces in Parliament soon', by <u>Fena</u>, <b>Dnevni List</b>, pg 5 'Farmers in front of government in next 15 days', by <u>Mensud Zorlak</u>, <b>Nezavisne Novine</b>, pg 3 'Law on defence and army service waiting for opinions of entity governments', by <u>M. Cubro</u> – Law on Defence and Law on Army Service will enable establishment of full capacity, necessary for performance of Armed Forces in protection of sovereignty and territorial integrity of BiH, while passing of these Laws would mean that BiH has fulfilled criteria for association with PfP and NATO. Because of that, members of Council of Ministers were familiarized with drafts of these Laws and after the session CoM has obligated BiH Ministry of Defence to harmonize the drafts with opinions of BiH Ministry of Justice, BiH Ministry of Finances and Treasury and Office for Legislation. Beside this BiH Ministry of Defence is obligated to get opinions of Entities' Governments and Agency for State Service, so that law proposals could be drafted and submitted to CoM. Deputy of BiH Minister of Defence, <b>Marina Pendes</b> explained that BiH MoD has already asked Entities' Governments for transition of authorities, stressing that CoM has obligated them to discuss laws with certain Institutions so that there would be no delays in passing of these laws, which according to her should be done by September.</p>

<p><b>Nezavisne Novine: BiH authorities do not know how much NATO standards would cost</b></p>	<p><b>Nezavisne Novine</b>, pg 3, mentioned on front 'Authorities do not know how much NATO standards would cost', by <u>M. Cubro</u> – NN notes that the BiH MoD does not know how much the equipping and training of BiH armed forces, which is to be in line with NATO standards, would cost. Deputy Defence Minister of BiH, <b>Enes Becirbasic</b>, says there are still no rulebooks on calibre and type of weapons the BiH armed forces would use, underlining it is very difficult to make an estimation since the process lasts several years. He says that the pattern of future BiH armed forces' uniform has already been chosen. It will be similar to uniform that will be used by the US marine corps.</p>

**RS Justice

on property-  
legal issues  
with Croatia**

**Pink, RHB, Dnevni Avaz**, pg 8 'Agreement with Croatia should return to entities for discussion', by Srna, **Dnevni List**, pg 6 'Cooperation with Croatia in jurisdiction of entities' by Dario Pusic, **Vecernji List**, pg 9 'RS Government for agreement between BiH and Croatia', by rt, **Nezavine Novine**, pg 5 'Agreement must go through procedure in entities', by P. Klincov – RS Deputy Prime Minister and RS Minister of Justice, **Dzerard Selman**, has rejected all allegations that RS Government is obstructing signing of agreement on property-legal relations between BiH and Croatia. Selman stressed that RS Government fully supports signing of this agreement, under the condition that a whole procedure is returned to BiH Institutions, in fact to Entities' Governments. Selman stressed that they are aware of importance of this agreement, but that some of the issues are strictly under the authority of Entities, emphasising that opinions on this agreement, before it is signed, have to be given by in charged Ministries and Institutions. *"Because this is about transfer of certain authorities from Entities, we think that Council of Ministers and its Delegation...fully have to abide by the Law on signing of international agreements and that this Delegation must be contained of RS representatives, during every meeting"*- stated Selman.

**BHT** – The Serbs from Croatia , who currently live in the RS, welcomed the decision to postpone the signing of the agreement, because it does not regulate the issue of 56.000 Serb apartments in Croatia . According to some estimates, the BiH property in Croatia is worth approximately two billion KM, while Croatia 's property in BiH is worth approximately 500 million KM.

**Hayat** – Selman stressed that RS wasn't represented in Zagreb and that Terzic obviously wasn't informed about their remarks, or he wouldn't say that support of RS Direction for Property Relations, being that such Institution doesn't exist.

**FTV, RTRS** – BiH Justice Minister **Slobodan Kovac** stated that the issue of occupancy holder's rights was very difficult for RS since a lot of Serbs from Croatia are now living in RS and are very much interested in those rights. The entire documentation on the agreement will be sent to RS ministries who then in return should send their objections to RS Government by 17<sup>th</sup> of August.

That's why I cannot claim that Karadzic is in Montenegro, or BiH or any place else, because as a politician I am responsible for what I say. I am however convinced that the noose around Karadzic and Mladic is tightening ever so more and the pressure will even grow"*, says Ljajic, stressing that Karadzic and Mladic are not hiding in Russia, however other three ICTY indictees are in Russia, including **Dragan Zelenovic** and **Vlastimir Djordjevic**.

**Assistant  
Minister  
Pandurevic:  
BiH needs  
better  
subsidies**

**Oslobodjenje**, front pg splash and pgs 4-5 'BiH's measures towards Croatia slightly decreased import', by A. Omeragic – The BiH Assistant Foreign Trade Minister, **Nenad Pandurevic**, notes that the protective measures that BiH has introduced against import of Croatian food products (obligation to pay 40% of full duties), have not resulted in drastic decrease of import of Croatian products, especially dairy products. Pandurevic says that the market, perhaps because of habit or faith in quality, still demands Croatian, as well as SCG products, despite them being more expensive. Pandurevic reckons that other measures should protect BiH farmers such as better subsidies, since the RS and FBiH allocate some 50-60 million KMs a year in subsidies, whilst Croatia allocates between 500 and 600 million Euros per year.

**FTV: Foreign  
companies  
win  
lucrative  
jobs in BiH**

**FTV** – New BiH license plates will probably be manufactured in foreign countries: BiH Minister of Civil Affairs decided – although his decision has not gone into effect yet – to assign this 6-millions-KM job to a German company. *“Our ministers and our Government is working better for other countries than for its own citizens”*, said Typographers’ Syndicate President **Amer Toskic**. The change of license plates and drivers licenses will start at the beginning of 2006. The license plates that are currently on domestic cars are manufactured by domestic companies; therefore, the representatives of the (BiH) Foreign Trade Chamber believe that the tender-related criteria should be domestic companies-friendly. *“Since it is in our interest that domestic companies get these jobs – even if they do not completely satisfy the conditions from the tender, if they are very close, or if they objectively can do it – they should get these jobs”*, said BiH Foreign Trade Chamber Vice-President **Milan Lovric**.

Deretic from  
'Srpske  
Poste'  
building**

**Hayat** (ATV's report)- Constitutive session of Provisional Steering Board of "Srpske Poste" should have been held in facilities of "Srpske Poste", but it was held in RSNA offices.

Representative of State shares, RS Minister of Labour and Veterans **Miodrag Deretic** explained that Director of "Srpske Poste" **Milutin Pejic** has expelled them, using very rude language. Deretic stressed that only his associates have prevented him to beat Pejic up. Deretic stressed that this incident will not prevent him to deal with performance of this company, which claims to work with losses, even though they are receiving over KM17 million from RS Telecom. Since 2007, Telecom will not be obliged to pay this amount and members of Steering Board claim that "Srpske Poste" will collapse then. Deretic also said that he will inform RSNA, Speaker of RSNA, Prime- Minister and RS President about this incident, stressing that Pejic couldn't act like this if he wasn't protected by someone in high position.

**RTRS – Pejic** threw out the members of Srpske Poste Supervisory Board who were present at their first session. They continued their session at RS National Assembly building. RS Minister Of Labour and Veterans, **Miodrag Deretic**, who is a representative of state capital, stated that he is surprised with Pejic's act since he is a master of martial arts and was therefore very close to using them on Pejic. Deretic stated that Supervisory Board has many questions for Pejic. **Drazen Abramovic**, Chairman of Supervisory Board, stated that the loss of Srpske Poste is 15 million BAM annually which will of course interest all shareholders of this company, RS Government included. <p><b>Bulgarian police discovers heroin in BiH truck</b></p>	<p><b>FTV</b> – Report by <u>Nadja Ridzic</u> – 9 kg of heroin, discovered by the Bulgarian police eight days ago in a truck owned by the ‘Hari 2’ company from Novi Travnik, is still the main topic in this central Bosnian town. While two of their drivers, <b>Munib Kalbic</b> and <b>Miralem Herceg</b> are still in prison in Sofia , the representatives of the ‘Hari 2’ company claim that they have nothing to do with the discovered drugs, and that they and their drivers are the victims of the well-organized chain of drug smugglers. Munib Kalbic’s family – his mother, father and wife – are desperate, but also confident that he is innocent. Other Hari 2 drivers are worried, because they believe that they could have also been victims of drug smugglers – and that they probably transported drugs before, without knowing it.</p>
