OHR BiH TV News Summary, 12 March 1999

Decision for Brcko is positive for the RS, the High Representative said after his meeting with Brcko Supervisor, Farrand and the RS Experts' Commission for the Brcko decision. However, the RS officials still consider the decision to be inappropriate and opposite Dayton. As it was unofficially learned, OHR spokesman demanded removal of the RS flag, which was standing above the press conference podium. Westendorp said that the RS is not going to be divided and that here are many issues regarding the Brcko decision that can be resolved by annexes. RS NA President Djokic said that the NA session will be held on March 22 and will discuss election of the new government. The "Sloga" Coalition condemned CoM Chairman Silajdzic's statement that "he BiH joint institutions could decide without the RS representatives." Democratic Party of the RS said that former RS President Sarovic is ready to accept the mandate of the RS Acting President. But Sarovic's Cabinet did not confirm or deny this information.
